

MAKE ROOM FOR HOPE

A CAMPAIGN UPDATE & SERIES GUIDE

MORE THAN
Enough

GOD IS JUST GETTING STARTED

THANK YOU. WE'RE JUST GETTING STARTED.

Dear Be Hope Family,

Thank you. Thank you for believing in what God is doing through Be Hope and putting your faith into action through More Than Enough. Every pledge made and every dollar given is helping us make room for more people to encounter the hope of Jesus. Your generosity matters, and I am so grateful.

This is the year to Be Hope. Hebrews 10:23 says, "Let us hold unswervingly to the hope we profess, for he who promised is faithful." We can take bold steps because the God who called us is faithful. Let's hold firmly to that hope and continue putting our faith into action.

When we began this campaign, we believed God was calling us to take a courageous step forward. Now, renovations are about to begin, and we're seeing that vision become reality. Through your giving, we are fighting loneliness, addiction, and divorce in our communities. We're making room for the people who need to hear that their story isn't over. This is why we're taking this step of faith, and we're just getting started!

If you have already pledged or given, thank you for your faithfulness. As you continue fulfilling your commitment, know that you are helping build something that will impact lives for years to come. Janelle and I are honored to take this step of faith alongside you.

If you haven't participated yet, I'm asking you to take that step now. Our goal is 100% participation because this calling belongs to all of us. Whether you make a pledge or give a gift today, prayerfully consider what God is asking of you and take that next step. Every gift matters, and together, our generosity can help change someone's life.

I believe some of the most incredible stories of life change at Be Hope are still to come. Thank you for helping make room for them.

Just getting started,

WE PURSUE THE HOPELESS

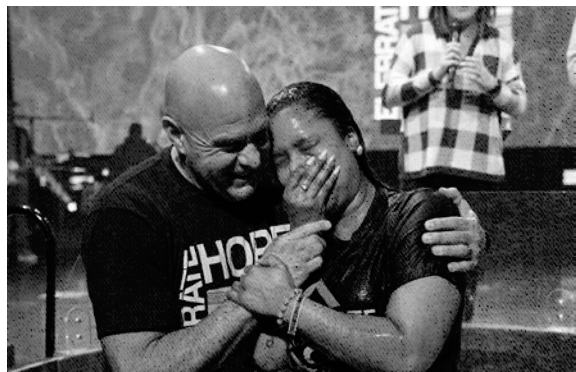

Hope changes what people believe is possible. For someone carrying the weight of addiction, a struggling marriage, loneliness, or a past they cannot escape, encountering Jesus can change everything.

We want to see heaven break into our communities by sharing the hope of Jesus where lives and families are hurting. We want people to encounter God, own their faith, find community, and pursue the hopeless alongside us.

Through More Than Enough, we're making room for more people to encounter the hope of Jesus. Kids will discover that Jesus loves them. Families will find a place to belong. People will take their next step in faith.

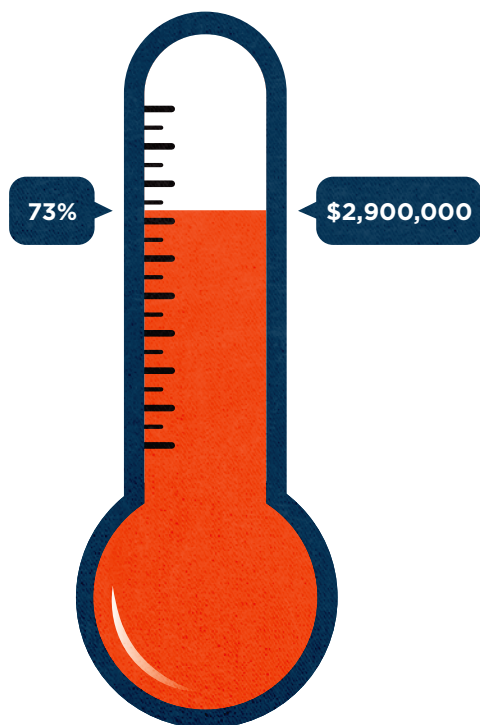

JESUS IS OUR HOPE

VISION IS BECOMING ACTION

GOAL: \$4,000,000

Last year, we invited our church to take a step of faith together. You responded with pledges, gifts, and a willingness to invest in what God is doing.

Today, we are preparing for renovations in Beaver Creek and a new chapter for our Ironton campus at the Ro-Na Theater. The vision is moving forward through the generosity of our church family.

We are grateful for what has already been given. We are expectant about what comes next. And there is still an opportunity for each of us to be part of it.

**YOUR GENEROSITY IS HELPING
MAKE ROOM FOR MORE**

SPACE FOR WHAT'S NEXT.

As renovations are about to begin, we are looking ahead to spaces that help more people encounter the hope of Jesus.

ROOM FOR KIDS

Welcoming, engaging environments where children can learn about Jesus, build relationships, and belong.

ROOM FOR CONNECTION

A foyer that helps people move through the building and creates opportunities to meet, talk, and find community.

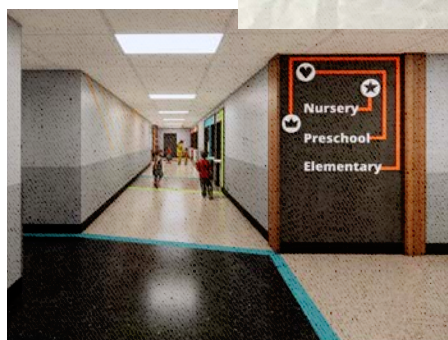

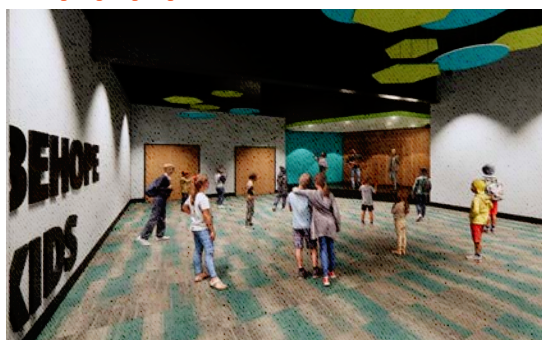

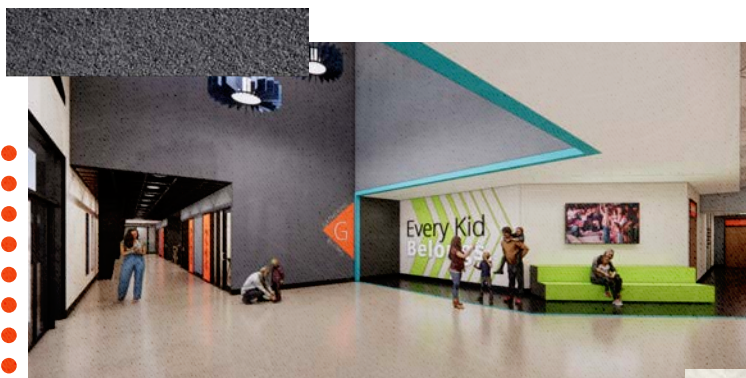

ROOM FOR WORSHIP

Greater capacity to welcome people into services and help them take their next step in faith.

MAKE ROOM

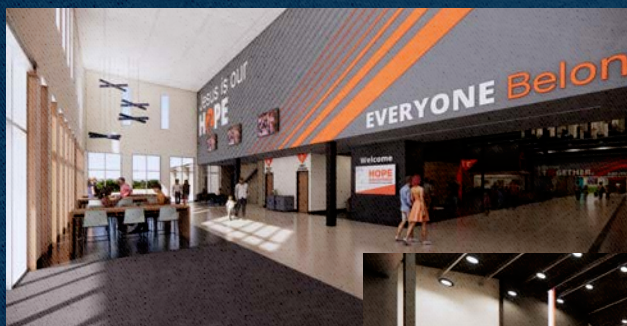

FOR THE NEXT GENERATION

We want children to grow up knowing that Jesus is their hope and that they have a place in His church. Spaces designed for kids help our Hope Teams welcome families and create meaningful opportunities to learn and grow.

MAKE ROOM

FOR CONNECTION

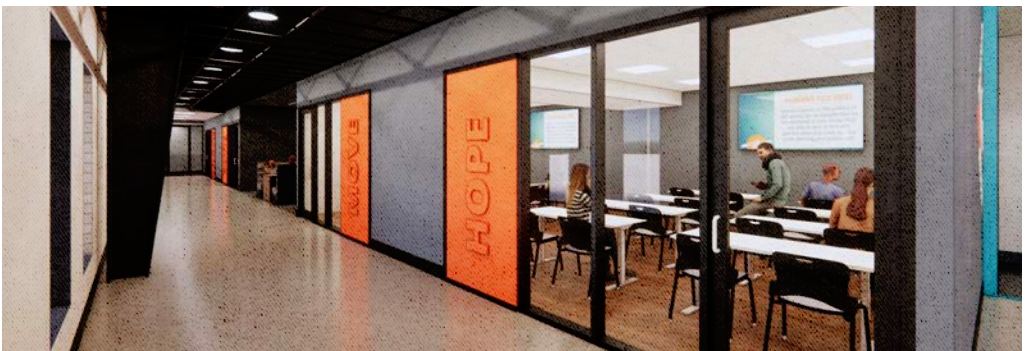

A welcoming space can help a new guest feel comfortable enough to stay, meet someone, and return. Our building plans create opportunities for connection as people arrive, gather, and take a next step.

MAKE ROOM

TO ENCOUNTER GOD

These priorities shaped **More Than Enough** from the beginning.

Our updated building plans show the spaces we are preparing for the people God is calling us to reach.

MAKE ROOM FOR IRONTON

Be Hope's Ironton campus is part of our church family in southern Ohio. Through this campus, we get to share the hope of Jesus with people and families in the greater Ironton community.

This fall, Ironton is preparing to reopen at the Ro-Na Theater with a new worship area and kids space. It is an exciting next step as we make room for more people to encounter God and find community.

We are investing in spaces that help people feel welcomed, children belong, and families grow in faith. The hope we share is the same across every campus:

JESUS IS OUR HOPE.

THE BE HOPE OFFERING

More Than Enough began with a step of faith. Now, we get to keep putting that faith into action. Every gift helps move the vision forward and prepares us for the people God will bring through our doors.
