

INTRODUCING THE...

Our Vision is to generate awareness and funding to help meet the physical and spiritual needs in every community across the nation and beyond.

Our Mission is to use our God-inspired, Heaven-sent, one-of-a-kind Fundraising Program and Family-friendly TV Network to generate an abundance of sustainable funding to provide life changing Hand-ups... not just compassionate Hand-outs.

Our Goal is to not only fund our own mission... but to help fund the mission of many others by conducting joint fundraisers with Entities such as... Churches, Humanitarian Organizations, Schools, and like-minded Businesses.

Our Objective is to not only generate and provide humanitarian funding, but to also reward every Donor with **several valuable benefits** for their generous financial support.

Our Program is designed to multiply the financial SEEDS sown in such a way that the HARVAST will help more people accidentally than most other programs will on purpose.

Visit www.seyah.org/causes to view a few worthy causes that are supported by SeYah.

HERE'S HOW THE PROGRAM WORKS... (PHASE 1)

SeYah will furnish participating Entities with a customized Website that explains the fundraiser, how the funds will be used, and how their potential Donors can participate.

The Entity receives half of the Donations made through their furnished Website to support their mission and worthy causes, with the other half supporting SeYah's worthy causes.

Plus, to increase the Entity's funding their Donors also receive a furnished website to access their **valuable benefits**, and to promote the fundraiser to others so they can receive additional benefits such as: Luxury Cruises, Hotel Stays, Premium Vacation Packages, and more for engaging a few additional Donors using their own furnished website.

Entities also receive half of the additional donations made through their Donor's own website, plus their Donors website, and their Donors websites, etc. with every new Donor also receiving the **Valuable Benefits**, and their own website to access them, plus receive additional Benefits.

EVERY DONOR RECEIVES THE FOLLOWING Valuable Benefits:

An online Debt Analysis and Professional Financial Consultation that could save and/or make them thousands of dollars.

Access to awesome educational courses in the categories of history, religion, and politics.

Included in those courses is understanding the US Constitution, and more.

Plus, as a bonus Donors receive Lifetime access to our family-friendly TV Network that will only broadcast wholesome content in multiple categories of all ages.

BUT WAIT THERE'S MORE, and this additional Bonus may cause Donors to do cartwheels.

- Every Donor also receives access a fully accredited Bible College where they can earn their Associate's, Bachelor's, Master's, and even a Doctorate's Degree online for FREE. That's right, there are no tuition fees.

AND IF THAT'S NOT ENOUGH...

All Donors receive one or more Fine Dining Coupons that are redeemable at thousands of locations across the nation.

- \$30 Donors receive (1) \$25 Dining Coupon (a \$25 Value)
- \$60 Donors receive (2) \$25 Dining Coupons (a \$50 Value)
- \$100 Donors receive (8) \$25 Dining Coupons (a \$200 Value)

Eventually... SeYah not only wants to generate funding for its Mission and the Missions of others, but to provide funding for the Donors as well so they can help meet the needs of others including their own needs through a separate, one-of-a-kind Humanitarian Aid Program.

HERE'S HOW THAT PROGRAM WORKS. (PHASE 2)

Every Entity, plus their Donors, and their Donors will be enrolled into a separate Program and separate pool of funding that uses a specially designed management system that generates additional funding and disperses that funding fairly to those who qualify.

That pool of funding is filled by our TV Network and business advertisers, private endowments, corporate grants, strategic partnerships, wise investments, and a portion of the donations from every joint fundraiser conducted.

Once the Program acquires enough funds to provide sustainable monthly funding, the Program will be announced along with the requirements for Entities and Donors to receive that funding.
