“Some Challenging Questions”

Malachi 3: 8-12

Thesis: Go to doctor — punches, probes, asks: “Does this hurt?” If it does hurt, there is one of two things wrong:

1. He is being insensitive, pushing far too hard, or...
2. There is something wrong that needs attention.

My intent is to tell what the Bible teaches. We are all looking for practical ways of understanding God’s Word to help us live a full and meaningful life. You may have some here today with some specific need. If you do have questions, know that the Bible has answers. Many people have asked these questions”

I. How Can I Know God’s Will For My Life?

- A. Sometimes knowing God’s will is confusing
- B. One thing is certain: *He wants you to be saved*
- C. Another: *He wants you to tithe*

II. How Can I Have A Stronger Faith?

- A. “Test me in this, says the Lord Almighty” (v.10)
- B. Faith is built upon trust, we must learn to trust God

III. How Can I Have More Joy In My Life?

- A. “See if I will not throw open the flood gates...”
- B. Tithing turns focus from yourself to God
- C. God wants to bless, disobedience prevents it

IV. How Can I Make My Church A More Fulfilling Place?

- A. Don’t complain, grumble, manipulate or disrupt
- B. Tithe!

Life Application: If you have never tried tithing, let me encourage you to tithe for one month. Then you can begin to experience what I have shared. Perhaps we can all see the effect that tithing would have for our whole church. The ministry opportunities are limitless for our church if we all tithed. Will you try this for one month? Begin today if you possibly can and try to tithe for the month of July. It will literally amaze you what the Lord could do if you would let Him.

Congratulations to those who have Birthdays or Anniversaries in June
