

EAST ADDITION

SUPPORTING KINGDOM GROWTH

Rooted in Discippling 3000. Built for what's next.

THE REAL GOAL

...is to position College Church to disciple more people — more effectively — for generations.

The number '3,000' recalls Acts 2 and calls each of us to make one disciple who makes another.

THIS INITIATIVE:

- Strengthens our college ministry
- Expands worship capacity while preserving unity
- Improves safety and accessibility
- Prepares us for continued Kingdom impact

WHY NOW?

Make disciples who make disciples.

Grow spiritually.

Grow numerically.

Grow the kingdom of God.

If we are serious about discipling more people, our spaces must support that mission. **This campaign removes barriers to disciple-making.**

Scan this QR code to learn more about our building campaign.

In September 2024, the elders approved Discippling 3,000 — a five-year plan moving College Church from momentum to multiplication.

This \$3.3 million capital campaign flows directly from that vision.

**WE'RE NOT BUILDING FOR COMFORT.
WE'RE BUILDING FOR CALLING.**

1

A NEW ROCK HOUSE

A Ready-Made Mission Field

College students represent a significant mission opportunity in Searcy.

**The momentum is real.
The opportunity is now.**

- *Intentional space to disciple and mentor students*
- *Hub for developing church planters and missionaries*
- *Welcoming, visible home for young adults*

2

INCREASED AUDITORIUM CAPACITY

Worshipping Together

As we grow, we want to preserve gathering as one congregation.

- *Replace pews with flexible seating*
- *Improve balcony flow and accessibility*
- *Increase capacity to nearly 1,600 (plus Room 100 overflow)*
- *Provide room to grow while maintaining unity*

3

SAFETY

Welcoming, Functional, Prepared
////////////////////

- Two fire-rated staircases to meet code
- Improved balcony access and circulation
- Open flow along Race Street
- Safer entry and exit during peak attendance

4

CONVENIENCE

Removing Barriers
//////////,

- New men's, women's, and family restrooms (first floor)
- Additional restrooms (second floor, balcony level)
- Direct balcony access to second floor classrooms
- Improved lobby functionality for connection

**Building for calling.
Preparing for what God will do next.**
