Expanding our Sphere of Influence!

Judy Graham

President,
Celebration Women's
Ministry, Inc.

A powerful scripture came to mind after our “Freedom” National Conference. “The Lord gives the word of power; the women who bear and publish the news are a great host” Psalm 68:11 AMPC. Women from ten USA states and Monrovia, Liberia were set free to publish the good news about what Jesus did in their lives and can do in the lives of others. They experienced the presence of God in a new and profound way. They now are taking the power of Jesus back to their homes, the churches they attend, their neighborhoods, and their cities. Jesus is real and the power of the Holy Spirit was evident.

The presence of God was with us as when we had an unusual experience happen on Friday afternoon. I would call it a “suddenly” (an unexpected, abrupt, happening that occurred without warning or preparation)! There was an area-wide power outage that occurred during our afternoon speaker’s message, and we had to leave the facility within 30 minutes. The “natural power” may have gone out but the power and presence of God never left us. There was a peace in everyone’s heart...no fear...and a knowledge that this did not take God by surprise. Jesus tells us He gave us His peace and it is still operative today. It is not like the peace the world gives, so we are not to let our hearts be troubled or afraid. In John 16:33 AMPC, Jesus again reminds us “I have told you these things, so that in Me you may have perfect peace and confidence. In the world you have tribulation and trials and distress and frustration; but be of good cheer take courage; be confident, certain, undaunted! For I have overcome the world. I have deprived it of power to harm you and have conquered it for you.”

These are encouraging words for us as we experience the unexpected in our lives. He will give us His peace, and His plan will unfold that will be just what we need. The disciples experienced their “suddenly” in Acts 2:2, “A sound from heaven like a rushing wind suddenly filled the house on the Day of Pentecost”. They received power from on high and their lives were changed. That same power is still available for us today.

For the ministry of Celebration and the body of Christ, we are entering new territory. We have been prepared by the Holy Spirit, so let us put on our spiritual uniform as members of the Army of God and go forward as doors continue to open.

Great future ahead!

Love you,

Judy
