

*Dear Parents and Guardians,*

*We are looking forward to partnering with you in the 2026-2027 year of Student Ministry with LV Students! As we prepare for this new school year in Student Ministry, we have identified your student as being a candidate for our Confirmation Experience this year!*

*We have been working diligently to make this upcoming year in Confirmation informative, meaningful, and engaging while still maintaining a fun atmosphere for our students. We believe that Confirmation is a crucial time in the life of these young people and that the choices they make over the next year are going to impact them for the rest of their lives. In fact, the term “confirmation” historically refers to the decision that a person makes in response to God’s grace with intentional lifelong commitment. This commitment involves a public reaffirming of his or her baptismal vows before the congregation.*

*All students will be given an opportunity to decide for themselves if they would like to be confirmed at the end of the Confirmation Experience. Likewise, students who have never been baptized will have the opportunity to choose for themselves if they would like to be baptized into the membership of the church. These important decisions will be made after the students have engaged in several months of study together exploring history, beliefs, theology, community and commitment.*

*We have begun registration for the Confirmation Experience and really look forward to having you and your student be a part of this year’s journey. We are kicking off this series with a Confirmation Orientation for both students and parents/guardians/families on **Sunday, August 2nd, 2026** in the Confirmation Classroom (Room 212 located on the 2nd floor of the Nursery Hallway) from 12:15-12:45pm (snacks will be provided). Confirmation Classes will begin the following Sunday, August 9th at 11am-12pm. **You can register for the Confirmation Experience and RSVP for the Orientation meeting by [clicking here](#).***

*We are working hard to ensure that this is a great experience for both you and your student. If at any point you have any questions or concerns, please feel free to contact us by emailing [confirmation@lvfirst.org](mailto:confirmation@lvfirst.org).*
