## **FOR KIDS CAMP**

**IF COST IS A CONCERN, WE  
HAVE SEVERAL FUNDRAISING  
OPPORTUNITIES AVAILABLE.**

**COUPON BOOK SALE:  
NOW-END OF MAY**

**CAKE AUCTION:  
MAY 4TH**

## **COUPON BOOKS**

For each \$20 coupon book that you sell, \$10 of it goes towards your camp total. Coupon books are \$20, and are over a \$1,000 value! These books include over 150 coupons to local restaurants, coffee shops, stores, and more!

### **How to Sell Coupon Books**

#### **Step 1: Purchase a Sample Book**

Start by purchasing one coupon book for \$20. You do not have to keep this book permanently—you may sell it later to recover your money. However, having a physical book with you will make it much easier to sell in person, as potential buyers can flip through the coupons before deciding to purchase.

#### **Step 2: Record Your Buyers**

When someone wants to purchase a coupon book, write their information on the seller sheet so you can keep track of who ordered from you.

#### **Step 3: Collect Payment From Buyers**

Collect payment directly from your buyers using Venmo, Cash App, or cash. We recommend this method because it is difficult for us to track individual buyers through our online portal. Once you have completed your sales, you will send the total amount collected to Awaken Church. PLEASE make sure to do this online or through an offering envelope. Please put “Coupon books” on the memo with your name.

#### **Example:**

If you sell 10 coupon books, you will collect \$200 from your buyers. You will then pay \$200 to Awaken Church.

#### **After we receive your payment:**

- Your coupon books will be ready for pickup at Awaken Church.
- You can then deliver them to your buyers or arrange for them to pick them up from you.  
Use your seller sheet for reference.

Once the church receives your payment, we will pay the coupon company and credit your camp balance \$10 for every coupon book sold.

You will not be given any coupon books until payment has been made for them, even if it is a sample. We do this to ensure that there is not a financial loss for these coupon books.
