## MINISTRY MOBILIZATION MONTH

Leader: How was Christ exalted?

Congregation: Christ's exaltation includes his resurrection, ascension,  
sitting at the right hand of the Father, and coming again  
to judge the world.

Leader: How was Christ exalted in his ascension?

Congregation: Christ's exaltation in his ascension began after his resurrection when he appeared to the apostles a number of times, talked to them about the kingdom of God, and commissioned them to preach the gospel to all nations. Forty days after his resurrection, in our human nature and as our head, he visibly went up into the highest heavens, triumphing over enemies. There he receives gifts for men, raises our minds, and prepares a place for us, where he himself is and shall continue to be until his second coming at the end of the world.
