

ANNOUNCEMENTS

Christmas Offering

Every year, Proclamation collects a special Christmas Offering during the month of December to assist one domestic and one international ministry approved by our Missions Committee.

This year, the domestic offering will support Harvest USA. Harvest USA brings the truth and mercy of Jesus Christ by helping individuals and families affected by sexual struggles and by providing resources that address biblical sexuality to individuals and churches. Their ministry has been under attack this year so we would like to offer additional support during the Christmas season.

The international offering this year will support GTI Hope (formerly Glad Tidings India). The Reverend Bill Teate, a long term PPC missionary and executive director emeritus of GTI, was the main speaker at our 2022 Missions Conference. He introduced a 3 year effort to reach the Matang people group in India. As a church, PPC will support this mission outreach over the next 3 years financially and through prayer. GTI is a growing ministry that has developed a 3 year strategy to reach the unreached through a fusion of literacy training, Bible/gospel knowledge and church planting.

To contribute to the Christmas Offering, place your offering in the special Christmas envelopes in the pew rack. To give online, use the church app or website and select "Christmas Offering 2022" as the fund. All donations to the Christmas Offering collected in December will be divided evenly between Harvest USA and GTI Hope. Please give by December 31, as January 1 will begin a new giving month and the donations will not be counted towards the Christmas offering.
