## Easter Art

For Easter we would like to fill the sanctuary with joyful color—and we would love your help! We will be making an abstract mosaic with whatever we get from YOU...so we are looking for art that is anywhere from about 8.5x11 to 11x17 inches; purple, yellow, or green; and without words. For example, a painting that is a range of yellows, or purples, or greens. Swirls? Splatters? Sure! Or it could be pastels, or tissue paper collage, or crayon. Use whatever medium you want to work in. Just each sheet should be all one color family. Feel free to make lots. We will be cutting them in half, or into triangles (we will figure that out once we have all the sheets) to make our design. It is just all about color. Have fun! Please return your completed wordless, monochromatic yellow, purple, or green art to the box outside the church office by **Sunday, April 10**. We look forward to seeing your creative art pieces. Thank you!

## Asbury Cookie Love!

Whom would you like to bless with some love this week? It could be a friend, a teacher, a neighbor, someone who you want to bring a smile to their face. Nominate them for a blessing and leave the rest up to us! We will drop off some cookies with a little love note explaining that someone wanted to bless them and letting them know how they can pass the blessing along! We will be using careful hygiene while baking and delivering the cookies. The website to get this started is: [asburylive.org/cookies](http://asburylive.org/cookies).

## Play Structure Fundraiser

It's past time to replace the current play structure, which is not up to the latest safety standards. So far we have raised \$10,045.28 of the \$130,000 needed to purchase and install the 'Four Castle Tower' from Kompan. Children's Ministry has been working on this project since 2018. If you would like to make a donation, please do so to the church office or offering boxes with "new play structure" on the memo line.
