HELPING YOU KNOW THE WORD

AFTERLIFE

ROOM: 116

DISCUSSION LEADER: LERRY FOGLE

Even if we know and understand the Bible on issues about death and beyond, many Christians still have questions and concerns about what transpires in the afterlife and our existence in it – questions about heaven, what happens there, what is it like; hell and what happens there; our existence between physical life and heaven, near death experiences, resurrection, and end times in general. This course will be grounded in what the Bible says about these important matters. The book, *Afterlife*, by Hank Hanegraaff, will serve as our outline for study, and will be referenced frequently. *AfterLife* is not required for the course but is recommended. Opportunity will be given to purchase a copy through the church.

MINISTRY WITH A VISION

How discipleship and evangelism work together

There is a purpose behind all that we do at FCOB. We LOVE, PROCLAIM, and REACH for a reason.

INTENTIONAL EVANGELISM reaches into the community so someone might...

HEAR the Gospel message of Jesus proclaimed

BELIEVE in Jesus and His sacrifice

CONNECT with a church and local believers

INTENTIONAL DISCIPLESHIP guides a new believer through a process that helps them...

GROW in their knowledge of Jesus, of God, and His Word

SHOW the evidence of a transformed life, and

GO and tell others the Gospel message of Jesus
