

Sermon Notes

Do You Have a Biblical Mindset?

Acts 17:10-15

The Pattern of Paulverse 10
The brethren immediately sent Paul and Silas away by night to Berea, and when they arrived, they went into the synagogue of the Jews.

The People of Bereaverse 11
Now these were more noble-minded than those in Thessalonica, for they received the word with great eagerness, examining the Scriptures daily to see whether these things were so.

The Professions of Faithverse 12
Therefore many of them believed, along with a number of prominent Greek women and men.

The Pests of Thessalonicaverse 13
But when the Jews of Thessalonica found out that the word of God had been proclaimed by Paul in Berea also, they came there as well, agitating and stirring up the crowds.

The Plan of Protectionverse 14
Then immediately the brethren sent Paul out to go as far as the sea; and Silas and Timothy remained there.

The Plan of Persistenceverse 15
Now those who escorted Paul brought him as far as Athens; and receiving a command for Silas and Timothy to come to him as soon as possible, they left.
