

## **REQUEST FOR QUALIFICATION**

### **OVERVIEW**

Better Access to Chiropractic Political Action Committee (BAC PAC) is seeking a consultant to assist in the development of strategies for influencing targeted congressional races through independent expenditures. Information provided will be kept strictly confidential.

### **REQUIRED INFORMATION FOR APPLICATION**

1. Name, address and contact information for your organization.
2. Describe your history related to providing political consulting services?
3. What is your experience advising Super PACs (with independent expenditures) on strategies aimed at influencing congressional races nationally?
4. Please list three recent SuperPAC clients and the campaigns in which you provided services.
5. Outline any other political/media consulting services such as polling, digital media services, direct mail, radio and TV production and placement.
6. Describe your experience in advising clients who work in the healthcare space and in particular, if you have any experience working with the chiropractic profession.

### **TO APPLY**

Please respond to this Request for Qualifications using the link below.
