Pastor's Thoughts

Connecting the Dots to Discipleship

The leadership team is currently working to identify a clear path to making disciples at Compassionate. What should be the focal points or emphases to fulfill Matthew 28:19, Go therefore and make disciples? It is reassuring to know that the components already exist in our church Ministry. Our task is connecting the dots. Identifying and developing a clear path from membership to being a disciple of Christ. This will be helpful to new members and strengthen current members. Stay tuned for more information.
