Gratitude Practice

November is just around the corner, and it is a month when we are often reminded to pause and give thanks. Recently, I heard this quote: **"Gratitude is not just a switch to turn on when things go well; it is also a light that shines in the darkness."**

Over the coming weeks, I'd like to invite us to be intentional about growing in gratitude. Perhaps you could try one of these simple practices: count your blessings, write a gratitude letter or make a gratitude visit, name three good things at the end of each day, or take time to savor the good things in life and share them with others.

As we practice gratitude, perhaps we will begin to see the uncertainties of life in a different way—not simply as threats to our well-being, but as opportunities to notice God's presence, recognize what is good, and discover reasons to give thanks even in difficult circumstances.

Operation Christmas Child Shoe Boxes

The Jr. Department will be using their fall offering to pay for the shipping costs of Operation Christmas Child shoe boxes. If anyone from the congregation would like to contribute to the offering, please contact Sonny or Marlene.

Pulse Center Thank You

Thank you to everyone who donated items for the PULSE Center! We shipped about 250 pounds of clothes, diapers, strollers, personal items for the moms, baby blankets and more. You have NO idea how much these items are appreciated and used! May each of you be blessed for your giving! The items will arrive sometime in December.

Hymn Sing Fundraiser

Locust Grove Mennonite Church will be hosting a hymn sing on Sunday evening November 8th at 7:00 PM. An offering will be lifted to help fund a third printing of the Mouk New Testament Bibles. The Mouk of Papua New Guinea were an unreached people group that today have access to a New Testament in their language. Mark & Gloria Zook, of Belleville, completed the first translation in 1994. Today the Mouk have 24 thriving churches and are discipling their children. They are also actively evangelizing neighboring tribes. All of the second printing copies of the Mouk New Testament are in use - and more are needed for their new believers!

Locust Grove is also looking for several individuals to help lead some of the hymns during this evening of worship. If you would be interested in leading, please contact Danielle Peachey by October 30.
