Having right-sized confidence with God

1. Confidence in my spiritual life is not based on how I _____.

3. Confidence in my spiritual life is not based on _____.

Personal reflection

1. Have I begun the all-important relationship with God through faith in Jesus?
2. Is my spiritual life characterized more by confidence or doubt and uncertainty?
3. Am I living in my relationship with God in such a way that I am becoming more loving toward others and the fruit of the Spirit are increasingly evident?

MY NEXT STEP TODAY IS TO:

- ☐ Begin my relationship with God as I trust and follow Jesus for the first time.
- ☐ When I am feeling condemned, ask the Lord to help me believe His forgiveness in Jesus is complete and final.
- ☐ Identify one way that I need to be further shaped by God's presence and work in my life and ask the Lord to do a great work there.
- ☐ Read 1 John 4:1-6 for next week's sermon.
