

# EVER WONDER WHY?

April 12, 2026

Dave Irwin, Senior Pastor

Series: "Ever Wonder Why" - Part 1

Message: "Why Don't I Always Feel God?"

We can be confident God is with us even when we can't feel Him there.

## A misunderstanding

God moves \_\_\_\_\_ or \_\_\_\_\_ from us based on our performance.

## A mistake

Elevating our \_\_\_\_\_ over the promises of God.

## Why we may feel like God is not there

1. We may be expecting the \_\_\_\_\_ thing from God.
2. When our heart is \_\_\_\_\_.
3. Because He is deepening our \_\_\_\_\_ in Him.

Digital Bulletin

## MY NEXT STEP TODAY IS TO:

- Put my trust in Jesus (surrender my life to His leadership)!
- Ask the Lord to renew my thinking so that I no longer think of Him moving near and far from me based on my performance.
- Memorize Isaiah 41:10 to help me stand on God's promise when my feelings aren't there.
- When I'm not feeling God is there:
  - Check my expectations so I don't miss what God is doing.
  - Open my heart and confess any persistent sins there.
  - Look for and lean into the work God might be doing to deepen my dependence on Him.
