MY NEXT STEP TODAY IS TO:

- Ask the Lord to reveal any beliefs I have that do not align with His Word and His heart. Seek godly counsel on how to respond and submit to the Lord's direction.
- Examine my frequent thought patterns. If there is anything that does not fit the description of Philippians 4:8, ask the Lord to change these thoughts.
- Identity any desire in my heart or mind that do not align with God. Choose to deny this desire and live in the new life of Christ in obedience to Him. I will ask the Lord to change this desire in me. And I will seek accountability from a trusted follower of Jesus.
