MY NEXT STEP TODAY IS TO:

- Turn back to God (or continue leaning into God) in spite of my negative circumstance and seek His help.
- Ask the Lord to bless me and expand my influence in a specific area of my life so I can have a greater impact for Him there.
- Do something that will give me daily reminders of God's presence with me.
- Ask the Lord for His protection over my heart and mind and body as I deal with a negative circumstance or person.
- Ask the Lord to reverse the negative impact and legacy of something significant in my life.
