Notes from the life of Joseph

Forgiveness vs. reconciliation

_____ is the work of repairing a broken relationship. It requires a willing response from both people and is built on repentance, forgiveness, renewed trust, and changed behavior.

MY NEXT STEP TODAY IS TO:

- ☐ Read Genesis 37-50.
- ☐ What stands out to you from today's message?
- ☐ Looking at Joseph's family saga, what part of the story is similar to your family? What is different?
- ☐ Ask God to reveal one relationship where He is calling you to pursue reconciliation.
- ☐ Take one Christ-honoring step toward reconciliation this week.
- ☐ Trust and follow Jesus today.
