

The Wordless book

The color black represents SIN. Sin is anything you think, say or do that doesn't please God. The Bible says that all of us have sinned...and the punishment for sin is death. This is pretty bad news...it seems bleak and like we are completely in the dark...But God loves us so much that He made a way for us to be saved!

Red represents the blood of Jesus. There is only way we can come out of darkness and be made clean. God loves us so much that He sent His Son to earth. Jesus never sinned...but Jesus came to take the punishment we deserved. Jesus died on the cross so that all the wrong things we have done can be forgiven. On the third day, Jesus rose from the grave! When Jesus took the punishment for our sins, something amazing happened:

White represents that we can be made clean! The amazing thing is that because of Jesus, we can be clean and made brand new. All we need to do is:

Admit we have sinned & ask God to forgive us. (Romans 3:23)

Believe Jesus died on the cross for our sins. (Romans 10:9)

Invite Jesus into our heart. Make Him King of your life. (1 John 1:9, John 1:12)
When we do this sincerely, our hearts will be made clean.

Gold Represents heaven! When our hearts are made clean, we can be with God forever in heaven...and we can have new life NOW! We can have a relationship with God...We can become children of God and live eternally with Jesus.

Green represents growth. Once a person gives their heart to Jesus, they now can grow! You grow by getting connected with a church, reading the Bible, prayer, worship...anything that helps you grow closer to Jesus.

Here is a simple prayer you can help them pray:

"Dear Jesus, I know that I have sinned. Please forgive all my sins. Thank you for loving me and dying on the cross for me. I believe You rose from the dead and You are alive today! Come into my heart and help me live for You. I want You to be my Savior, King, and my best friend. Thank You for saving me!

Amen."
