CHOOSING A NEW SPIRITUAL HERITAGE

WEEK 3

THE GIANT ENDS WITH ME

STUDY GUIDE

29 Willow Rd. Royal Oaks, CA 95076

This week we learned that David refused to accept as normal what everyone else tolerated. His confidence was in God's power, not his own, reminding us that through Jesus we can overcome the giants that stand before us.

Discussion Questions

1. DON'T NORMALIZE WHAT GOD WANTS TO DEFEAT

- What are some unhealthy habits or attitudes that people see as “normal” today?
- Have you ever thought, “That’s just how I am” or “That’s just how my family is”? How does God want to change that?
- According to Romans 12:1–2, what does it mean to let God change the way you think?

2. PRIVATE VICTORIES PREPARE YOU FOR PUBLIC BATTLES

- How has God been faithful to you in the past?
- Can you share a time when God answered a prayer or helped you through a difficult situation?
- How does remembering God's faithfulness help you trust Him today?

3. THE BATTLE BELONGS TO THE LORD

- What stands out to you about David's words in 1 Samuel 17:45-47?
- According to Ephesians 6:10-12 and Zechariah 4:6, why can't spiritual battles be won by human strength alone?
- What practical steps can we take to trust God while still walking in obedience?

LIVING IT OUT

The giant may not have started with you, but by God's grace, it can end with you. God is inviting each of us to trust Him, remember His faithfulness, and walk in obedience as He brings victory.

Take a few moments this week to prayerfully reflect:

- What giant is God asking you to stop tolerating and begin confronting through His strength?

Ask the Holy Spirit to guide you in one or more of these actions:

- Identify one area where you've accepted something God wants to change.
- Spend time thanking God for specific ways He has been faithful in your past.
- Take one step of obedience you've been putting off and trust God with the outcome.
