

OVERCOME

THE FINAL WEEK THAT
CHANGED EVERYTHING

Week 3

LASLOMASCC.COM

29 Willow Rd. Royal Oaks, CA 95076

This week we revisit Jesus cleansing the temple, confronting what had quietly become normal. As we study together, ask the Holy Spirit to reveal anything in our lives that may distract from true worship and intimacy with God.

Discussion Questions

1. The King Inspects the House

(Mark 11:15–17)

- Why do you think Jesus addressed corruption in the temple before going to the cross?
- How can spiritual practices continue while the heart slowly drifts from God?
- What are some things that can become “normal” in our spiritual lives that don’t belong?

2. Jesus Overturns What Distracts

(1 Corinthians 6:19)

- Why do you think Jesus chose such a visible and disruptive action to cleanse the temple?
- What does it mean for us personally that our lives are now the temple of the Holy Spirit?
- How can the Holy Spirit reveal areas that need cleansing in our hearts today?

3. Purification Prepares for Power

- Why do you think God often brings cleansing before spiritual growth or breakthrough?
- What is the difference between conviction that leads to restoration and condemnation that leads to shame?
- How can allowing God to purify our hearts prepare us for greater spiritual impact?

Living It Out

Take a few moments this week to reflect, pray, and write down what the Holy Spirit reveals to you.

- ***What distraction or habit may be replacing intimacy with God in your life?***
- ***What “table” might Jesus be asking you to overturn?***
- ***What one step of obedience will you take this week to restore prayer, presence, and purity?***
