

GREETINGS FROM SUMMER CAMP

ACCESS - July 2026

Part our Miracle Offering last fall was focused on our next generation. Church, through that offering you gave **\$2,000** in scholarships for our kids and teens to experience life-changing encounters with Jesus this summer at Ohio Summer Camp. Camp isn't just a week away from home, it's a space where faith comes alive, friendships are formed, and the next generation begins to discover their purpose. This is how we multiply what God is doing, by investing in young people who will carry His Kingdom forward.

Our United Students are attending Youth Camp **July 6-10** and our Peeps Kids are attending Kids Camp **July 20-24**.

Join us in praying for every student who will be attending. Pray that they would encounter Jesus deeply, build life-giving friendships, and return home changed.

Pray for Pastor Derek and Kristan as they speak at Kids Camp, that God would move through them and use their voices to impact every child in the room.

Check out the stories on the back to hear the incredible things God did in the lives of our students at camp last year!

THANKS FOR SENDING US TO CAMP

Camp Was a Highlight of my life

“I signed up thinking it would just be a fun week away, but it turned into a massive season of spiritual growth. God really met me there during worship, the messages, and moments of prayer. I walked away trusting Him on a much deeper level. By the way this is as someone who isn’t that religious outside of going to church and didn’t have that strong of a relationship with God. On top of that, the quality time with my friends built bonds and memories that will last a lifetime. I am so grateful”

I Always Look Forward to Camp

“Worship is always powerful and the sermons fill you with more knowledge on God's Word. Every year of camp, Wednesday nights are always referred to as Holy Spirit nights. Last year I experienced the manifestation of the Holy Spirit in an amazing way. I had spoken in tongues before and felt the Holy Spirit move through me but not like this. I began shaking while praying over others in tongues. This was the first time I had ever felt such a powerful baptism in the Holy Spirit. Once service was over me and two other friends suddenly began laughing and crying, the three of us filled with an overwhelming feeling of what could only be described as the joy of the Lord.”

Last Year's Camp was Amazing!

“The second I got there the people, the leaders, and the food was great. I loved how they also were able to include games and fun with God and our faith. I really recommend it for anyone who wants to spend time with their friends and meet new people while also building and strengthening their relationship with God.”

I Loved Camp!

“There was so much that happened but the best part was being with all the camp girls throughout the week, having fun, and worshipping together.”
