# MIRACLE SUNDAY

## What Could God Do Through Our Generosity?

At Peoples Church, our mission is to create **Access for ALL people to Jesus and His Kingdom**. Every year, Miracle Sunday is a special opportunity to celebrate transformed lives through water baptisms and come together in faith to give a miraculous offering toward Access. Through our above-tithe giving, we partner with ministries locally and around the world to reach the unreached, pursue biblical justice, and multiply leaders and churches.
**Join us November 15 at 9:30 AM or 11:15 AM!**

## What is God Inviting YOU to Give?

As we prepare for Miracle Sunday, we invite you to pray, listen for God's voice, and ask Him how you can participate. Whether this is your first time giving to Access or you've participated for years, this is an opportunity to take another step of faith and generosity.

**PRAY. LISTEN. RESOND IN FAITH.**

## Miracle Sunday Is for the Whole Family!

Miracle Sunday is an opportunity for every generation to grow in faith and generosity together! We encourage families to pray together, ask God what He is calling each person to give, and help children learn to hear His voice and respond in faith. No one is too young to participate in what God is doing!

## Missions to the Unreached

### Josh and Lindy | Nepal

Josh and Lindy  are sharing the Gospel among unreached communities in Nepal.  They serve in an area that is adjacent to the Byangsi people group, the unengaged people group we adopted this year! Through community development programs providing nutritious meals to children, building relationships with families, and partnering with local Christian leaders, they're creating opportunities for more people to encounter Jesus.

---

### Zach & Danika | South Caucasus Region

Zach and Danika are bringing the hope of Jesus to Muslims in the South Caucasus region, serving in a country that is 97% Muslim and where religious freedom is restricted. Through English conversation clubs, they are intentionally building relationships and creating opportunities to share the Gospel. They recently moved into a larger building, opening the door for even more people to hear about Jesus! They are also partnering with local pastors to plant churches in communities where the Gospel has not yet taken root.

## Biblical Justice

### City Gospel Mission

Serving Greater Cincinnati through food, shelter, recovery, job training, and youth programs, City Gospel Mission helps individuals and families break the cycle of poverty and experience lasting transformation through the love of Christ.

---

### Project Rescue

Project Rescue brings freedom, healing, and hope to women and children impacted by sexual exploitation and trafficking around the world. Through prevention, rescue, and holistic care, they help survivors experience restoration and the transforming love of Jesus.

## Multiply

### Summer Camp Scholarships

Each year, kids and teens have the opportunity to attend summer camp and experience life-changing encounters with Jesus. Through Access, we help remove financial barriers so more kids and teens can attend camp. As we give, let's also begin praying for the lives that will be transformed!

### Peoples Church Network | Future Church Plants

Peoples Church Network is multiplying the vision of Church Like Heaven on Earth! Through Access, we're helping support three churches in the pipeline in Mexico City, Mexico; Columbus, Ohio; and the Atlanta metro area (Newnan, Georgia), creating opportunities for more communities to encounter Jesus.
