Stewards of God's Plan

October, our journey focuses on "Stewards of God's Plan," a vital theme that calls us to consider our role in managing the blessings and responsibilities God has entrusted to us. This month, we will explore what it truly means to be a faithful steward, from our finances and time to our talents and relationships. We'll delve into the biblical principles of stewardship, learning how our actions in even the smallest things can reflect our devotion and prepare us for greater responsibilities. Discover how honoring God with our resources, living generously, and managing His gifts wisely are not just duties, but pathways to deeper faith and joy.

Week 1: Faithful in Little

Scripture: Luke 16:10

- Why does God value faithfulness in small things?
- How do small responsibilities prepare us for greater ones?
- Where can you demonstrate greater faithfulness?

Week 2: Trusted Stewards

Scripture: 1 Corinthians 4:2

- What does God require of stewards?
- How does stewardship reflect trust in God?
- How can you grow as a faithful steward?

Week 3: Honoring God with Resources

Scripture: Malachi 3:10

- Why does God connect faith and generosity?
- How does trust influence giving?
- What does honoring God with resources look like for you?

Week 4: Living Generously

Scripture: 2 Corinthians 9:6-7

- Why does God love a cheerful giver?
- How does generosity strengthen faith?
- How can you practice generosity intentionally?
