

## Senior Pastor Report - May 2026

Greetings Leadership Team!

As I write this we're less than two weeks removed from our last meeting. So much new to share but here are a few quick items. As always don't be afraid to let me know if you have any questions or if there's anything you'd like for me to be prepared to share at this month's meeting!

Blessings,

Kyle

### General Updates

**Administrative Items:** The past two weeks I have had the opportunity to spend some time on lagging administrative and future looking items which has been beneficial. These include: formalizing, with the help of the Building Use Team, a Kitchen Use Agreement between Church of the Servant and Snow Barn Catering; begin auditing Servant's membership rolls (a process that will continue throughout the summer); selecting scriptures and topics for summer sermons so that related staff can plan accordingly; planning the summer Bible Study on prayer; and more.

**Meeting with Rev. Nathan Oney:** Rev. Oney is scheduled to spend the day here at Church of the Servant on Tuesday, May 12th to meet staff, participate in some early visioning regarding missions, care, and young adult ministries, and for he and myself to begin planning how we intend to operate in our respective roles. While everything won't be covered in one day, I'm confident this will help Rev. Oney have a successful beginning in his ministry here at Church of the Servant.

**Annual Conference:** The Oklahoma Annual Conference will be held here at Church of the Servant May 28th-30th. This will involve extensive staff and volunteer support but is a great opportunity for Church of the Servant to become the church in Oklahoma City that United Methodists from throughout the state connect and are most familiar with. If you would like to volunteer and help ensure that our guests experience the exceptional hospitality Church of the Servant is known for, please contact Belongings Coordinator Cindy Fast at [cfast@churchoftheservant.com](mailto:cfast@churchoftheservant.com) to learn how you can help!

**Church Closed Monday, June 8th:** I would like to close the church on Monday June 8th to give a day of rest to our staff following what will be a laborious two weeks of extended days and hours due to the Oklahoma Annual Conference followed immediately by another busy week of Vacation Bible School. There is nothing scheduled on the calendar for that day and I'm confident such a move we be appreciated by the staff in response to their hard work and dedication.

### April Statistics

**In Person:** 4/5: 623      4/12: 302      4/19: 334      4/26: 308      **2026 Avg: 348**

**On-Line:** 4/5: 344 4/12: 342 4/19: 328 4/26: 336 **2026 Avg: 357**
