One of the most valuable things we can give our children is the ability to carry God's Word with them wherever they go. Memorizing Scripture at an early age helps children hide God's Word in their hearts and minds, giving them truth, encouragement, and guidance they can carry with them throughout their lives.

Memory work cards are sent home from Sunday School so families can practice together throughout the week. If you need another copy for home, please let us know! Students can visit the Sunday School Prize Cart before or after Sunday School to recite their memory work and choose a prize. While the prizes make learning fun, our greater hope is that children develop a lifelong habit of knowing and treasuring Scripture. **Parents, your encouragement makes a difference**—practice together in the car, at mealtime, or before bed and help make God's Word a lasting part of your child's life!

DISCIPLESHIP

FAITH GROWS AT HOME

Corner

Let Your Children
SEE YOUR FAITH IN ACTION

When our children see us giving and serving, they learn what it looks like to live out our faith. Our example teaches them that following Jesus is more than words — it's a lifestyle.

Have Important Conversations
WITH YOUR CHILDREN

Talk with them about why giving and serving matters. Teach them that they can make a difference — even with a small gift or a simple task. **No gift or act of service is small in God's eyes.**

WHY DISCIPLESHIP MATTERS
Discipleship at home helps children build a strong foundation of faith, learn God's Word, and grow in their relationship with Jesus every day.
You play a vital role in shaping their hearts!
