We are so thankful for the many blessings in our Sunday School ministry, including dedicated volunteers and excellent resources that allow us to offer grade-level small groups using a strong apologetics curriculum. If you see your child's Sunday School teacher, please take a moment to thank them for the time, care, and preparation they invest each week—both in large group teaching and small group conversations.

### Our volunteers truly make a lasting difference!

Each week, students learn a Bible lesson along with practical ways to apply it to their lives. Beginning in fall 2025, we started a chronological journey through the Bible, beginning with Creation and continuing through the Tower of Babel. Our 1st-7th grade students will soon be learning about Abraham and Isaac as we wrap up the year.

### How can you help?

Each grade level has a yearly memory verse, along with additional verses tied to each unit. Hiding God's Word in our hearts is a powerful part of growing faith. You can support your child by helping them practice their memory verses and by asking them about what they learned in Sunday School each week.

## LAURY UPDATE >>>>>>>>

**Thank you** so much to our students, parents and teachers for your Sunday School offering so far this year. We have surpassed our goal to continue to sponsor Laury with a monthly giving each month and cover May - August months.

Watch for more details in Fall 2026 about our Sunday School offering, as we will be helping local families in need for Thanksgiving and Christmas. If you have family in mind, please let us know.
