JUNE 15<sup>th</sup> - 18<sup>th</sup>

VBS week is just days away, and we are excited to welcome more than 160 students and 170 volunteers to Emerald Crossing!

Throughout the week, students will journey through the lush landscapes of Ireland as they explore Psalm 23 and the life of King David. Through engaging Bible lessons, Scripture memorization, theme-based music, crafts, games, snacks, and decorations, we hope to create meaningful experiences that help God's Word take root in their hearts and minds.

While we are incredibly blessed to have all of our volunteer positions filled, we still need your support through prayer and financial donations as we prepare for this impactful week of ministry.

Please consider:

- Picking up a VBS Prayer Calendar from the cart in the back of the church.
- Reviewing our donation needs on the VBS promotion display.

Thank you for partnering with us as we share the love of Christ and help each child discover that Jesus is their Good Shepherd.

Who will fill their well first?

We are excited to partner with Haiti Empowered during VBS this year! Throughout the week, children will learn about God's love for the global Church and discover how they can support children in Haiti through prayer, generosity, and compassion.

Students and volunteers are invited to participate in a friendly competition as we collect daily offerings for Haiti Empowered.

Everyone will be part of either the Lads or Lasses team as they compete for bragging rights and a special treat for the winning side!

## Sunday School 2026 -2027

Weekly Sunday School will resume on September 13, with registration opening in July.

We are blessed to continue offering weekly Sunday School with both large-group teaching and age-based small group classrooms. This year, we will continue using Answers Bible Curriculum, a biblically faithful, apologetics-based curriculum.

Over the summer, we invite you to prayerfully consider how God may be calling you to come alongside our children and support the mission of our Sunday School program. The more teachers we have, the more we can support one another with a sustainable schedule while better serving our students.

See you back in Fall 2026!
