Hello Families!

Welcome to a new year of Kids' Small Groups, where your children will have the opportunity to build Christ-centered relationships with their peers and leaders, renew their hearts and minds through Biblical teaching, inspire a love for Jesus through worship, and have opportunities to impact their world for Jesus. Your involvement is very important! We're praying for you as you lead your kids in their weekly studies.

Drop Off/Pick Up

KSG starts at 6:30. Leaders are in a meeting and then in classes ready to welcome kids at 6:15. Pick up is promptly at 8:00. **Please have your child's sticker tag ready to give their leader at pick up for safety verification.**

Class Snacks Donations

It worked so well last year, we are taking donations again. We're asking that each family donate a big box of snacks (i.e. a box of 40 small bags of chips) that we can use for all classes. One box from each family should provide enough snacks for our entire year. Thank you so much for your donations!

During the Week

Review the lesson your child's leader went over the past Tuesday. Complete homework together, discussing as you go. Practice the lesson memory verse each week. Say it at bedtime, at dinner, as you drive along in the car. When we memorize God's Word, we carry His good news with us wherever we go! Kids will recite the past week's verse before the leader teaches the new lesson each Tuesday.

THEME NIGHTS

Most Tuesdays, have your kids wear their KSG shirt. The last KSG of each month will be a fun theme dress-up night.
