BIRTHDAYS & ANNIVERSARIES

From the

Pastor's

DESK

Hello Kelleytown Church Family,

I pray this new season of 2026 finds you well. I think of our church family and pray for you often. I find myself praying more these days than I think I have in my life, and so much of my prayers center on thankfulness to the Lord for all He's doing. I find myself praying for guidance and discernment as we move forward as a church. I find myself praying for peace in the known and in the unknown. God is so faithful and so good, and I see His hand at work in my life and around me. I know He hears us as we pray and I know He is working in ways that we are not aware of yet.

So, I keep praying. I encourage you to keep praying.

KT is currently praying about things that align with God's Word, with God's purpose, and with God's mission. I know that in His time He will continue doing "all things well." We are praying for revival and for our revival meeting in a few weeks. We are praying for Bro. Rick as he prepares to be with us. We are praying for the church to be renewed and restored. We are praying for those who are lost who will be in attendance that they will hear the gospel preached and respond by surrendering their lives to Christ as Savior and Lord. Keep praying!

KT is praying for our upcoming Fall Festival. We have a purpose in continuing to do this event. We provide a safe place for families. We provide a wholesome place for families. We provide a Christ-centered place for families. I can't wait to see, because we pray, what King Jesus will do through us to reach our community with the gospel because of this event. Keep praying!

We will be feeding the HHS football team and their opponents on October 9 after the game. Pray that everything comes together for that time of ministry in our community. Pray that Jesus will be honored by our service and the heart we have to see our Hartsville changed by the power of the gospel.

We will not have Wednesday activities on October 7 due to fall break with our schools.

We will have one service on October 18 for homecoming. So, all our Life Groups will meet at 9am and we will have one service at 10:30. We will do this same schedule on October 25th as we host Joyful Sound from North Greenville University. We need host homes for the students on Saturday night the 24th. Contact Brian if you can provide housing for the students.

God bless you. I love you all.

Serving Him,

Pastor Mike

Rom. 5:8

MUSIC & WORSHIP

The ***KT Choir*** is back!

Have you been thinking about joining, or has it been a while? This is your invitation!

We have had wonderful participation as we've been rehearsing for Christmas!

Must register and pay the fee by October 18, 2026

From Your KT Safety Team Ministry

Thank you all for your support of the efforts we put forth to make our services safe and secure for the church. We train on a regular and consistent basis to be ready to respond to situations that could occur in our uncertain world today. We have developed procedures to ensure a response in safety and medical alike.

As we move on towards the season of holidays, we hope everyone is always safe. This time of the year also brings out fraud and scam artists. Seniors will receive dozens of calls about Medicare supplements and drug plans. Others will get calls trying to sell everything imaginable. Scam artists are a year-round thing but seem to increase about now. Your Safety Team cares about your welfare, not only at church, but anywhere else, as well. We advise you never to give personal information to anyone you are not sure about, especially over a phone call. If you didn't solicit the call, tell them you are not interested and hang up.

Recently, scam artists have used tactics as posing as government officials claiming you owe a fine, failed to serve on jury duty, have a warrant in your name, all wanting you to send money, give your bank account, or send them pre-paid gift cards for the fine or costs. Some have tried to get folks to send money for a relative's bond or prison expenses. It's endless today, especially as we navigate this new AI world where voices can even be duplicated. Any suspicious call or solicitation should be reported to your local law enforcement for investigation. Remember the old saying, IF IT SEEMS TO BE TOO GOOD TO BE TRUE, IT PROBABLY IS.

Have a safe and blessed October. And remember, Jesus loves you and so do we !!!

God Bless you all !

Happy Birthday
