MISSION FOCUS

Jen Kierstead serving with Pioneers, Florida

Our 2025 Annual Report is out and celebrates hundreds in Southeast Asia hearing the gospel for the first time and growing momentum as teams engage 24 unreached peoples across Africa. Praise God for rapidly launched local teams, new cities opened and workers from many nations stepping up to keep ministry moving forward. I am at just over 99% of my support level through July 31, 2026. Thanks! We had a Third Culture Kid team meeting on 5/12. We were able to have some good professional development time together as we move forward into a busy summer. I work with great people who love God and the families we care for. **Prayer:** Please pray for renewed strength and energy – the summer months will be busy at the US base with adult training/kids' programs the first and last weeks of June and the middle of July. Forty-three young adults gathered on the Pioneers campus for Edge orientation. They recently headed out to 10 countries to serve alongside Pioneers workers. Pray that the Lord goes before them and works powerfully in and through each one. Loneliness can feel overwhelming for missionaries often intensified by geographic and cultural isolation in the places God has called them. Take the next 60 seconds to lift up a missionary you know by name. Ask God to draw near, strengthen their spirit and remind them they are not alone. In many Asian contexts, pressure to follow rules and conform runs deep - making the gospel of grace feel shocking, even scandalous. Father, give believers wisdom and courage as they share good news with those around them.
