MISSION FOCUS

Dave & Sonya Kramm serving with Pioneers, Middle Tennessee State University, International students

We had an amazing trip to Egypt and God showed himself powerful in the lives of many Egyptian believers. We were able to help encourage many Sudanese refugees and listen to their stories via a translator. The heartache and suffering is immense. Our team was able to be part of a food distribution, medical clinic and field day for the kids and parents all on different days. Continue to pray for the Cairo church as they minister to many and continue to demonstrate the love and power of God to many. We also took an anniversary trip to Ireland/Scotland. It was a wonderful bucket list trip and so appreciated being able to be there and thank Jesus for this beautiful gift. We also went on to Skopje, Macedonia to discuss how our church could partner with a local church there to especially help them reach their community and reach out to the "Roma" people. Skopje is home to the largest community of Roma in Europe and Macedonia is .05 percent evangelical so the need there is great. We also traveled to Helsinki to discuss helping the International church there that reaches out to large groups of refugees. Once we returned, we had a great meeting with the MTSU International office discussing with them how we can continue to change and grow to meet the needs of the returning and new international students. The number of new students is down quite a bit but we have planned a good year and hope to connect with most of the students when they arrive. We are thanking God for the teamwork and great partnership with the International office at MTSU and with our local church. Please continue to pray for those who have gone home now: IR, Ma, Vi, Mal, Le and Na. Pray that they will remember what we learned together in the past year and that it will continue to draw them closer to Jesus. The house that we were hoping to purchase across the street for use in the ministry to International students is on hold at this time. Thank you for all the encouragement, support and prayer. Jesus is not finished yet with His work in our lives and He is not stopping. He continues to move forward in giving the world opportunity to truly know Him!
