THIRD QUARTER: ROOTED IN TRUTH

Welcome to July and the beginning of a new quarter together. This season, our church focus is Rooted in Truth.

We live in a culture where ideas and values are constantly changing, but God's Word remains steady. As followers of Jesus, we are called to be rooted in Biblical truth—not carried by every new opinion, trend, or teaching.

This quarter, we want to challenge ourselves to become people who test what we hear against Scripture. Whether it's a sermon, a podcast, social media content, or a word of prophecy, may we follow the example of the Bereans in Acts 17:11 and search the Scriptures to see if it aligns with God's truth.

This isn't about becoming critical—it's about becoming grounded.

Our prayer is that this quarter deepens our love for God's Word and strengthens our confidence to stand firm in truth with grace and wisdom.

With love,
Justin and Katelyn
