Media Tech Role Description

The **Media Tech** is responsible for ensuring a seamless visual experience during worship services by operating ProPresenter and managing all visual presentations. This role plays a vital part in creating an atmosphere that helps connect people to Jesus through clear and intentional visuals.

Gather on Sundays to connect to Jesus

Serve on the Crew to reflect the Person of Jesus

Grow outside of Sundays to better know the Person of Jesus

Key Responsibilities:

1. Operate ProPresenter

- Run ProPresenter during Sunday practice and service, ensuring accurate and timely display of lyrics, sermon slides, videos, and other media.
- Monitor and anticipate transitions to ensure smooth changes between elements.

2. Visual Excellence

- Check that the order of service matches all media content before services, ensuring accuracy and readiness for use.
- Maintain a high standard of presentation to eliminate distractions and enhance the worship experience.

3. Communication

- Work closely with the production team, worship leader, and speaker to ensure alignment and clarity in visual elements.
- Quickly adapt to changes or updates during service, maintaining composure under pressure.

4. Troubleshooting

- Be proactive in identifying and resolving technical issues related to ProPresenter or connected visual systems.
- Ensure all equipment is functioning correctly before and during the service.

5. Atmosphere

- Approach every task with a focus on excellence, intentionality, and a heart to serve.
- Use visual presentations to point people toward Jesus and help them engage in worship without distraction.

Cultural Values:

The Sound Tech embodies the culture of **The Crew** by:

1. **Greet**: Setting the tone with an expectant and encouraging attitude, ready to serve with joy and purpose.
2. **Initiate**: Being welcoming and approachable, ensuring clear communication with the team and leaders.
3. **Follow Up**: Staying intentional in checking that all elements of the service are running as planned, keeping Jesus as the focus.
4. **Thank**: Leading with authenticity, showing gratitude to the team for their service, and fostering a spirit of unity and teamwork.
