Sound Tech Role Description

The **Sound Tech** is responsible for ensuring a high-quality audio experience during worship services, creating a space where people can connect with Jesus. This role includes technical proficiency, team communication, and a heart for worship.

Gather on Sundays to connect to Jesus

Serve on the Crew to reflect the Person of Jesus

Grow outside of Sundays to better know the Person of Jesus

Key Responsibilities:

1. Lead the Worship Sound Check

- Direct the band through sound check, instructing each musician to play their instrument individually.
- Address each team member by name and clearly communicate what is needed during the process.
- Check and adjust input gains to standard levels, ensuring consistent audio quality.
- Review and refine instrument EQs, listening for any issues and making necessary adjustments.

2. Mixing for Rehearsal and Service

- Process all incoming audio sources using EQ, compression, and other effects as needed.
- Craft a worshipful mix that aligns with the style and feel of the recorded versions of the songs.
- Remain attentive throughout the service, practicing intentional transitions and ensuring smooth audio flow.

3. Communication

- Serve as the primary connection between the worship band and the production team during rehearsals and services.
- Relay updates and feedback clearly and effectively to keep everyone aligned.

4. Troubleshooting

- Anticipate and resolve any sound issues proactively, minimizing disruptions during rehearsal or service.

5. Atmosphere

- Strive to create an environment where people can encounter Jesus through worship.
- Maintain a focus on excellence, intentionality, and the presence of God in all aspects of sound production.

Cultural Values:

The Sound Tech embodies the culture of **The Crew** by:

1. **Greet**: Setting the tone with an expectant and encouraging attitude, ready to serve with joy and purpose.
2. **Initiate**: Being welcoming and approachable, ensuring clear communication with the team and leaders.
3. **Follow Up**: Staying intentional in checking that all elements of the service are running as planned, keeping Jesus as the focus.
4. **Thank**: Leading with authenticity, showing gratitude to the team for their service, and fostering a spirit of unity and teamwork.
