Welcome to the Production Team

Production has always been a key aspect of Community of Faith in fostering worship. We believe that as we support worship through audio, visuals, and lighting, we are creating an environment where our congregation can encounter the person of Jesus without distraction.

THE GIFT. **greet. initiate. follow up. thank.**

greet.	be expectant.	set the tone.
initiate.	be welcoming.	you're a sticking point.
follow up.	be intentional.	Jesus is our focus.
thank.	be authentic.	make it personal.

Defining a Win

Our win is when God is glorified through the seamless operation of production and when worship flows smoothly without distractions. Though it can sometimes be hard to see, here are a few indicators to gauge a “win” for production:

1. **Seamless Worship Flow**: A win is when transitions happen naturally, visuals are clear, audio is mixed well, and there are no distractions or disruptions.
2. **Congregation Engagement**: Production exists to serve the room. A win is when people can engage in worship without noticing the technology behind it.
3. **Technical Excellence with Spiritual Intent**: Every click, mix, and light change has a purpose – to draw people’s focus to God. A win is when the team operates with both technical precision and spiritual awareness.

New Production Crew

- **Personal Relationship with Jesus**: Team members must have a growing relationship with Jesus Christ through consistent prayer, Bible reading, and worship.
- **Preparation and Learning**: We understand everyone comes with different levels of experience, but we value growth. Every team member should strive to learn, develop, and improve their craft to serve with excellence.
- **Team Commitment**: We are a family and rely on each other. Recognize that we grow relationally as we serve together. Show up prepared and ready to lead in your role.
- **Consistent Worship**: Production starts with our own personal worship. Worshiping privately helps us serve the church publicly with the right heart and focus.
- **Primary Purpose**: Our role is to honor and glorify God while helping others experience His presence. Whether it’s sound, visuals, or lighting, we serve with intentionality and focus on excellence to point people to Jesus.
