

Dear FBC Family,

As we kick off the new fiscal and school year, there are a number of ministries and happenings we want to inform you about.

Within our kids' ministries, there are some **transitions** that normally happen in September. Below is a list of when things should happen:

TRANSITION DATES AND AGES

KIDS PRAISE FACTORY (0-4 yrs; Sunday mornings during the service)

- **0-2's Class**
When a child turns 3 any time through December of that calendar year, in September they should move up to the 3-4's class
- **3-4's Class**
When a child turns 5 any time through December of that calendar year, they will "graduate" at the end of the summer and in September they move up to Worship Warehouse. September to December is a 'soft' transition time, as any time during this period when the children feel they are ready, they can move up to Worship Warehouse. The aim is to have them all transitioned by the New Year.

WORSHIP WAREHOUSE (5-10+ yrs; Sunday mornings during the sermon)

Children who turn 11 prior to 1 September in a given year (typically those who are moving into high school - year 7 or grade 6) will "graduate" in late August/early September, and from then on will remain in the sanctuary for the entire time during Sunday morning services.

SPARK (5-12 yrs; Fridays 6:30 - 8:30 p.m.)

When a child turns 13 any time through December of that calendar year, in September they should move up to Ignite (Youth Group)

IGNITE (YOUTH GROUP) (13-17 yrs; Fridays 7 - 9 p.m.)

When a teenager turns 18 any time through December of that calendar year, in September they may move up to the Young Adults' Bible Study led by Paul Thompson, or they may also join another small group.*

SUNDAY SCHOOL (9:15am-10:15am)

- **2-4's Class (Olive Gregory)**
When a child turns 5 any time through December of that calendar year, in September they should move up to the 5-7's class
- **5-7's Class (Arlene Robinson)**
When a child turns 8 any time through December of that calendar year, in September they should move up to the 8-10's class

- **8-10's Class (Dot Japal)**
When a child turns 11 any time through December of that calendar year, in September they should move up to the 11-14's class
- **11-14's (Kyle McLean)**
When a youth turns 15 any time through December of that calendar year, in September they should move up to the 15-17's class
- **15-17's (Felicia McLean)**
When a youth turns 18 any time through December of that calendar year, they have the option to age out of Sunday School.

If you have never registered your child, please contact the church office at fbc@fbc.org.ky so that we have the relevant information on him or her, in case of an emergency.
