

PEOPLE FAR FROM GOD

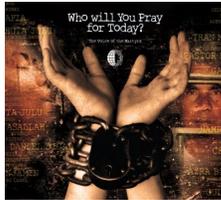

II Corinthians 5:20-21 Therefore, we are ambassadors for Christ, God making His appeal through us. We implore you on behalf of Christ, be reconciled to God. For our sake he made him to be sin who knew no sin, so that in him we might become the righteousness of God

During this season of prayer, pray for those who are far from God that he has burdened your heart for and pray for their salvation and how God would use you in the process.

- **Pray for our nation.** Pray for our local communities, our elected officials, our armed forces, and our law enforcement/ first responders. Pray for wisdom for our country's leadership and that as a nation we would seek to do the Lord's will both globally as a nation and as individuals.

February 26, 2026 | India - Burial Triggers Destructive Mob

Villagers in Chhattisgarh state reacted violently against local Christians who buried a non-Christian man on their property. The burial of Chamru Ram Salam on Dec. 16, 2025, was conducted according to the rites of a traditional tribal religion. However, because half of

Salam's family, including three of his five sons, are Christian, the mob called the burial an insult to their deities. More than 500 villagers with wooden sticks and slingshots attacked mourners at the grave. Several people were injured, and the family and other Christians fled the village for weeks. The mob looted the family's property, set fire to their home and three churches and

vandalized the homes of 15 other Christian families. Ultimately, local officials moved the body to a Christian cemetery, even though Salam's oldest son said that neither he nor his father were Christians. Pray for the safety and provision of this family and other local Christians.

HEALTH AND MEMBER NEEDS

James 5:16-18 Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working. Elijah was a man with a nature like ours, and he prayed fervently that it might not rain, and for 3 years and 6 months it did not rain on the earth. Then he prayed again, and heaven gave rain, and the earth bore its fruit

During this season of prayer, pray for those who are sick and in need of healing

- **Lee Kistner** - for the past month has been tied to a bag and chemo pump. It was removed as he finished the first of at least two cycles. He will have three weeks of freedom from middle of the night battery changes and getting the tubing caught on kitchen cabinet knobs before he begins the second cycle. He really is grateful though that he can be home receiving the medication instead of having to stay in the hospital!
- **Matt Everhart** - cousin is out of the hospital and has been home a couple of weeks now. There is still a lot of recovery time ahead along with physical therapy but praise God, he is recovering well.
- **Rosemary Kolynich** - cousin Monica Knolles has been diagnosed with Lymphoma. Thankfully the prognosis is good with treatment.
- **Melissa Trumbo** - is still struggling with pain from surgery and injuries from her accident. Pray for healing and complete relief from pain.
- **Mary Morgan** - recently had a bad fall at Elcor and is pretty banged up, but is still at Elcor. Pray for healing and protection from more falls.
- **Carol Daniels** - asks for prayer for her grandson who had RSV and earache. Her husband is scheduled for shoulder arthroscopy. Pray for clear diagnosis.
- **Nancy McLaurin** - niece Becky Twomey and her husband Nick are expecting their 3rd child at the end of March. They recently found out that the baby is going to need a very serious and delicate open heart surgery within hours of birth. Asking for prayers for the entire family, for healing and for God to work all details out with the 2 children at home as the hospital will be become a second home for a while. Please also pray that through this God will strengthen their walk as parents with Christ and use the situation for His glory.
- **Drew Cole** - had a ministroke. He is doing well but he still has some blurriness in his left eye. Please pray that this resolves quickly.
- **Jim Kellogg** - transplant doctor is tapering the strength of his oral chemo in order to relieve some side effects he has been having. Praise that his GVHD appears to be back under control at this time, although he will need to continue to receive chemo infusions every other week in Rochester.
- **Layne Williams** - recently took a terrible fall on ice face down and was rushed to the Corning ER. She is having surgery on Thursday. Lord willing, she will be released the same day. She is very thankful for your prayers!
