FROM BAD TO WORSE

2 THESSALONIANS 1:1-4

There is a sense in which television has trained us to believe that our problems are supposed to wrap up quickly. Every sitcom for the last fifty years has introduced and solved a problem in less than 30 minutes, but real life doesn't work that way.

Sometimes our problems go from bad to worse.

That was the experience of the Thessalonian church between the two letters that bear their name.

This week we will begin our walk through of 2 Thessalonians and we will see that while life often has problems, in Christ, it always has enough grace, peace, and strength to overcome them.

Salvation - if you've never believed in Jesus for the forgiveness of your sins, that's your next step today. See pastor Doug if you have questions about this.

Baptism - if you're a Christian, but you've never been baptized, that's your next step. Please see pastor Doug today or contact him at dforman@Breesport.org.

Connect to a Life Group - our Life Groups are small gatherings of 8-12 individuals who meet for about 90 minutes each week. Contact pastor Andy at ashanks@Breesport.org if you're interested.

Grow - we have lots of opportunities for you to grow in your understanding and application of the Bible to your life from Sunday School to Wednesday Evening.

Serve - there are a number of ways that you can get involved to serve others inside and outside the church. See pastor Mike if you'd like to be a part of a ministry team.

Multiply - every believer needs to be on mission all the time. If you'd like to know how you can more effectively live on mission please contact pastor Doug.

LIFE GROUP QUESTIONS 9-27-26

CONNECT

This is the first Life Group meeting of the 2026-2027 term. Use this time to introduce yourself to your group. Include at least one detail that those in your group would not know about you (a hobby, a past job, an interest, or an experience).

GROW

- What stood out the most to you from this week's service, text, or message and why?
- What fundamental truths does a person need to believe to go through a severe trial and have their faith strengthened rather than weakened? In other words, why do you think some people draw closer to God when they suffer, and others draw away from Him?
- What can we learn from these four verses concerning the role and importance of relationships in times of trial?
- Paul boasted about the Thessalonians to other churches. With that said, should we, as a local church, care what our community and other local churches think about us? Why or why not? What would you want other churches to say about us?

MULTIPLY

What is one practical thing you can do this week to encourage someone currently going through a trial? How can your Life Group help you with this?
