LIFE GROUP QUESTIONS 11-22-26

CONNECT

In this week's text the apostle Paul speaks of the importance of living an orderly life and working hard at the work God has given you to do. With that said, share with the group the age you were when you started working and what that job was. What did you learn from that experience?

- A "busybody" is someone who "works around work" and makes matters outside their concern their business. How do you distinguish between a genuine concern, gossip, and meddling in other people's concern?
