CONNECT

Paul speaks of the world being surprised at the Second Coming of Jesus. With that said, share a story with the church of a time when you were taken by surprise (for good or for bad). What did you learn from that experience?

GROW

- What stood out the most to you from this week's service, text, or message and why?
- Why do you think God has chosen to shroud the second coming of Christ in so much mystery? What good and what tension comes from that reality?
- Paul says that destruction will come suddenly when people are crying, "peace and security". Why do you think there has never truly been peace on earth since Genesis 3? How can you, as a Christ-follower and this local church, be agents of peace, even on a small scale?
- How does Paul's use of the terms "darkness" and "light" help you understand the difference between unbelievers and believers? How does the word "darkness" help you better understand why non-Christians do what they do?

MULTIPLY

What is one practical thing you can do this week in response to the fact that Jesus is coming again in wrath and judgement? How can your Life Group help you with this?
