PRAYER: PETITION

WEEK 2 | DAYS 8 - 13 ABIDE QUESTIONS

DAY 8 (PAGE 10)

When you find yourself in trouble, do you truly believe God hears your cries for help, or do you sometimes wonder if your prayers are reaching Him? Is there a burden you have grown weary of praying about you haven't seen God work in the way or timing you hoped? What would it look like to keep bringing it to Him

DAY 9 (PAGE 11)

Do your prayers reflect a persistent dependence on God, or do you tend to pray briefly about something and then return to trying to handle it yourself? Is there an area of your life where you have become passive in prayer because you are uncertain what God will do? How might Jesus' words encourage you to pray with renewed faith?

DAY 10 (PAGE 12)

When you bring your needs before God, are you truly surrendering them to His care, or do you still find yourself preoccupied with trying to figure everything out on your own? What burden or uncertainty about your future do you need to lay before the Lord today, trusting His mercy rather than relying on your own understanding?

DAY 11 (PAGE 13)

How might your prayer life change if you approached God with both persistent faith and an expectant heart, watching for His work while trusting His timing? What tends to distract you from consistent prayer, and what practical step could help you become more steadfast in bringing your needs before the Lord?

DAY 12 (PAGE 14)

How might your prayers change if you spent less time focusing on what you want God to do and more time asking Him to reveal what needs to change in you? What is one area of your life you need to bring before God today, honestly acknowledging and confessing your sin and seeking His forgiveness rather than making excuses for your actions?

DAY 13 (PAGE 15)

When you bring your requests to God, how often do you consider whether what you are asking for aligns with His will and brings Him glory? What is one request you have been bringing to God that you need to surrender Him, trusting not in your ability to understand His response but in Hiswisdom and sovereign purposes?
