New City Family!

I hope we can always remain grateful for the ways God is working in our individual lives and in our church family. There are highs and lows to every life and every year. But when we take the time to slow down and remember, we are bound to find reasons to rejoice. This is easy for me when I think about you. And that's the purpose of this booklet.

The document you're holding, or scrolling, features a lot of numbers and a lot of stories, but hidden within all those stats and memories we see a glimpse of you – your prayer, your generosity, and your faithfulness to partner with our great God in all He's doing here.

Some of you are new to the mission of New City – new enough that none of the stats or stories represent you, yet! I invite you to join us. Embrace the Kingdom of God, advancing here in this city and with this church family. It's not a perfect family but it's pretty amazing. They are vigilant, generous, faithful. And God is using us to make a difference where we live.

Make a difference with us,

- Pastor Nate

YOUTH

THE FUTURE GENERATION

We believe in the future of New City Youth! Every Wednesday, teenagers across the city gather to hang out, worship, and learn what it means to make disciples and go all out for Jesus. The energy is upbeat, the fun is next level, and the future is bright because these world changers are **RAISING A NEW CITY!**

- Student Leadership launching in the Falls
- Campus clubs being launched at public schools

NCY has given me a community where I get to pour into and support students while also having fellow leaders who encourage, challenge, and support me. Being a part of NCY has made this past year significantly better for me and has given me people and a community that I'm genuinely grateful to be a part of.

-Addy Kirkhart

Before summer camp I would always hang out with the wrong people and I would constantly get in trouble with my parents and teachers and then I met my best friend Deacon. He introduced me to so many amazing people like Rylan, Wyatt, and Ethan. As soon as I met these people it went uphill. I started sharing the word at school and with my friends who didn't know Him. New City Youth changed my life. I love the community and I give all the credit to God.

-Caleb Campbell

New City Youth has helped me grow in so many ways. It has given me a safe place to learn how to be a leader and submit to leaders in authority. It's a place where I can come to ask questions and learn more about what I believe and grow deeper in my faith. It has given me a community of friends and leaders who give me encouragement, support, accountability, and are passionate about pursuing Jesus! Having a community like that has helped me to grow so much practically as a leader, and spiritually by being pushed in arenas I am not always comfortable in. I know I would not be where I am today without New City Youth and the community and friendships I have found there!

-Mikah Monroe

NEW CITY KIDS

RAISING YOUNG BELIEVERS

A place your kids love! From infants through sixth grade, New City Kids fosters a love for Jesus and a heart for people starting at a young age. In addition to weekend services (which are a blast), New City Kids hosts a few outreach events during the year, including Vacation Bible School and the occasional conference.

123 KIDS MINISTRY VOLUNTEERS

210 KIDS AT VACATION BIBLE SCHOOL

“Our boys have transformed in kids ministry. They have gone from being uncomfortable in states in worship to dancing and singing God’s truth. They are quick to share verses they have memorized. At home they write songs and lead worship with their guitars and drums making a joyful noise to the Lord. We often hear one of them teaching their stuffies a story or biblical truth they heard. After Kids Adventure Camp, they asked to stay up the next few nights reading the story of David and Goliath in their Bibles. Kids Ministry has completely transformed their love for worship and God’s word.”

-Megan Dunlap

“Serving in kids ministry has been such a special journey for us. We love coming in every week and getting to build relationships with the kids, all while seeing their relationships with Jesus grow more each day! Their excitement, curiosity, joy, and love for Jesus and each other is unmatched and truly an honor to witness and nurture!”

-Kaila Moyers

“Serving in Kids Ministry has been such a special journey. Working side by side with my daughter, Abby, is such a blessing. Seeing Abby step out of her comfort zone and grow into where God has called her to be has been an incredible gift. We get to care for these beautiful, precious children while their parents step away to grow closer to our Lord and Savior. Being entrusted by God to watch over His little children is an honor, and we do it with love and to glorify Him.”

-Sabrina Melendez

“Serving in toddlers has made me feel a part of the church family. I feel happiness knowing that parents can have peace of mind and are able to focus on the sermon once they drop their kids off, providing a break some parents never get. Through serving, the Lord has shaped my heart. I now yearn to be involved and want to use my time for others instead of sinking into anxiety. It keeps my eyes on Him.”

-Skylar Mahar

GROUPS

CREATING GENUINE CONNECTION

New City groups are an integral part of both connection and growth at New City. Throughout this year, hundreds of individuals met in homes around the city to dig a little deeper, go a little farther, and learn what it looks like to do life together — challenging, praying for, and uplifting one another along the way.

"I've been in a few different small groups over the past year but the one that stands out the most to me is our parenting group my wife and I did together and it focused on basically just becoming a better Christian parent. I have noticed a big change in how Mariah and I parent and am super grateful for all the lessons we learned throughout, but mostly for the new families and friends we gained. It's amazing to see strangers in Christ become so close so quick and for these other families to pour into our lives I am forever grateful. Small groups are the best!"

- Dylan Martin

"When I first joined New City, stepping out of my comfort zone as an introvert, my husband and I joined a young adult group, and I also joined a women's devotional. The incredible kindness of those who opened their homes and hearts to me helped me grow deeply in my faith, understanding of the Bible, and knowledge of myself. I am so grateful for those meaningful connections and am blessed to still stay in touch with those wonderful friends today."

- Abigail Daugett

DISCIPLESHIP

GROWING DEEPER IN OUR FAITH

Making more disciples is what it's all about! Between GrowU Classes and leadership opportunities. Dozens of you said "yes" to your next step. And because of your commitment, our church family is closer, your workplaces are stronger, and Great Falls is becoming a better place to live and love.

15 DIFFERENT CLASSES

250 HOURS OF TEACHING

25 DIFFERENT TEACHERS

"Thank you for making the GrowU classes available to us. As new believers we had a lot of questions and most of them were answered. The questions that were not answered, we now know and understand they do not need to be and our faith in God will take care of us. These classes were very thought provoking and very well instructed. We always go home with such a joy and cannot wait for the next class.

But most of all we enjoyed the fellowship with everyone – including the instructors. With fellowship comes friendship which turns into understanding the "Church Family".

Helping with the set up & tear down is the bonus of the evenings. Once again the fellowship that goes with it gives one a sense of belonging to the "Church Family". The love that is felt from everyone is AMAZING! It has taught us how to pray within a group and become more comfortable with who we are as Christians.

We can't stress enough how we have enjoyed these classes and how they have helped us as new believers. Each class opens our hearts and minds more which leads to getting closer to God."

DREAM TEAM

SHAPED TO MAKE A DIFFERENCE

What is the Dream Team? It's hundreds of individuals connected to the local church, each using their gifting and participating in the purposes of God. We simply couldn't do this without our New City volunteers!
From running sound and leading worship to serving donuts and caring for our kids, you guys do it all!

997
FAMILY MEMBERS

With 701 people serving, you might think every spot is filled, but we're not done yet! There is ALWAYS room on the Dream Team for your gifts, your talents, and your story. Whether you love being behind the scenes or out front greeting people, there's a place for you to make a difference. Our New City family just isn't the same without YOU. Take your next step and join the team!

Serving in kids ministry as a newly married couple has helped us grow in our teamwork. We see how each of us loves and connects with the kids we serve in different ways. Being able to serve kids is such an honor because not only do we get to be a part of their lives, but they are changing us and growing us through the questions they bring. The kids bring questions that make us dig into scripture more and open up new discussions that help us grow in our faith.

- Dustin & Lauren Foster

I love serving as a Table Coach for the Discover Track. What a great way to help people understand what our church is about and to spread the word of Jesus to a captive audience. It is nice to put newcomers at ease when they realize we do not judge them for their past - we are all broken and need the mercy and grace of God. What an honor it is to be part of this team. To help people understand their walk with Jesus and watch their lives transform and grow. I cannot imagine what my life would be if I had continued on the path I was on. This is such a joy to guide other people.

- Mike Jenkins

Serving on the Dream Team has become such an incredible part of our journey. Zaine and I have truly loved going all in and finding ways to serve wherever we are needed throughout the church. Whether it's serving at the Info Hub, helping with different events, or simply being available wherever there is a need, we have seen how God can use even the smallest acts of service to make a difference. Serving together has strengthened our relationship with God and with each other, while also giving us opportunities to build relationships, encourage people, and be part of what God is doing in our church and community. It has reminded us that church is so much more than a place we attend. It is a family we get to serve, grow with, and pour into, and we are so grateful that God has given us the opportunity to go all in together.

After our vow renewal, my husband and I chose to go through SYMBIS as a way to root our marriage more deeply in Jesus and intentionally align our relationship with biblical principles. The assessment and thoughtful guidance from our mentor couple gave us a safe, supportive space to celebrate the places where we are beautifully aligned while also exploring areas where we still had room to grow. Even after 22 years together, we learned new things about one another and had conversations that opened our hearts in ways we hadn't experienced before. We walked away feeling even closer, with stronger communication and a renewed sense of connection - I absolutely loved the entire process!

OUTREACH

LOVE WHERE YOU LIVE

As much as we love weekend services, church goes far beyond these four walls. Each year, we prioritize getting out in the community — Great Falls and beyond — and showing our friends, family, and neighbors the true love and passion of Jesus Christ. We do this by giving our time, sharing our giftings, and practically meeting the needs of those around us.

I find participating in Serve Day to be rewarding on so many levels. To see hundreds of people coming together to serve their city and show the love of God fills my cup every time. To see it grow every year and see our Church family find projects they are passionate about shows me their hearts to serve and encourages me every time.
- Christina Wood

Participating in Serve day is one of my favorite events of the year! To help spread the love of Jesus and to help beautify His creations or serve His people, while getting to make new friends brings me so much joy! Serve day projects help bring together the church and our community. Getting to lead a project this year was a privilege because we got to help coordinate the blessings and see the joy on everyone's faces!
- Brittney Mello

Serving on the New City outreach team has been a great honor and blessing for Kat and me. Being part of people's lives in the church and community has been challenging but very rewarding. We've gotten to work together as a church family, united for one goal: to impact the community for the Kingdom of Heaven in and around Maroney Park. It's been amazing to see the Little Free Library become a landmark for New City Church. Witnessing the church step out in faith, be bold, and see good fruit produced in their lives and in the community makes it all worth it. In Jesus' name!

26 MFI REGIONAL CONFERENCE

MFI Ministers Fellowship International

Ministers Fellowship International (MFI) is a global network of pastors and churches committed to growing and investing in healthy church leaders. We have been part of this fellowship for many years and believe its impact on the global church is worth investing in. MFI hosts a yearly global conference as well as yearly conferences for regions throughout the world. We host one of these regions ourselves, and through our investment we continue to see healing, growth, and refreshing come to pastors in Montana and beyond.

Our MFI Region

Each year, New City hosts the Montana Frontier Regional Conference to refresh vision and equip pastors and their teams. We also host a separate summer retreat to encourage and refresh our region's lead pastors.

THE 2025 YEAR-END OFFERING

Last December, New City gave generously to the Year-End Offering, which our elders set aside for Grace Harvest Church in Moses Lake, Washington, a church we came to know through our connection with MFI that was in the middle of its own building campaign. Together we gave $100,000 toward that campaign, and their lead pastor was deeply moved, both by the gift and by the reminder that God saw them and was faithfully providing.

We also officially closed on a 5-year lease for a property in Prizren. It is about 6,000 square feet. This is a huge step in launching our Prizren campus!

My children had a lot of fun (at the day care), and they enjoyed staying there very much, because it's been 2.5 years there, and we were pleased with the teachers and Alban and Jehona too.

- Florent Krasniqi

I have participated in conferences organized by New City Church, marriage conference and youth conference. My experience has been very good. I have learned that marriage needs to be cultivated, kept alive and fresh, and that the order of the family should be respected, just as Scripture teaches us in Ephesians 5:22–25.

I have also learned through the testimonies and experiences shared by others. The speakers based what they shared on the Holy Scriptures, which made the conferences even more meaningful and valuable for me.

My wish is for these kinds of conferences to be organized more often, because they are very helpful and inspiring for families, marriages, and young people. God bless you!

- Sabrie Kryeziu

We express sincere gratitude to New City of Prizren for bringing a team to serve the local community.

The team helped clean debris and garbage left behind after flooding and landslides, worked on road repairs, removed damaged trees, and replanted trees that had been destroyed.

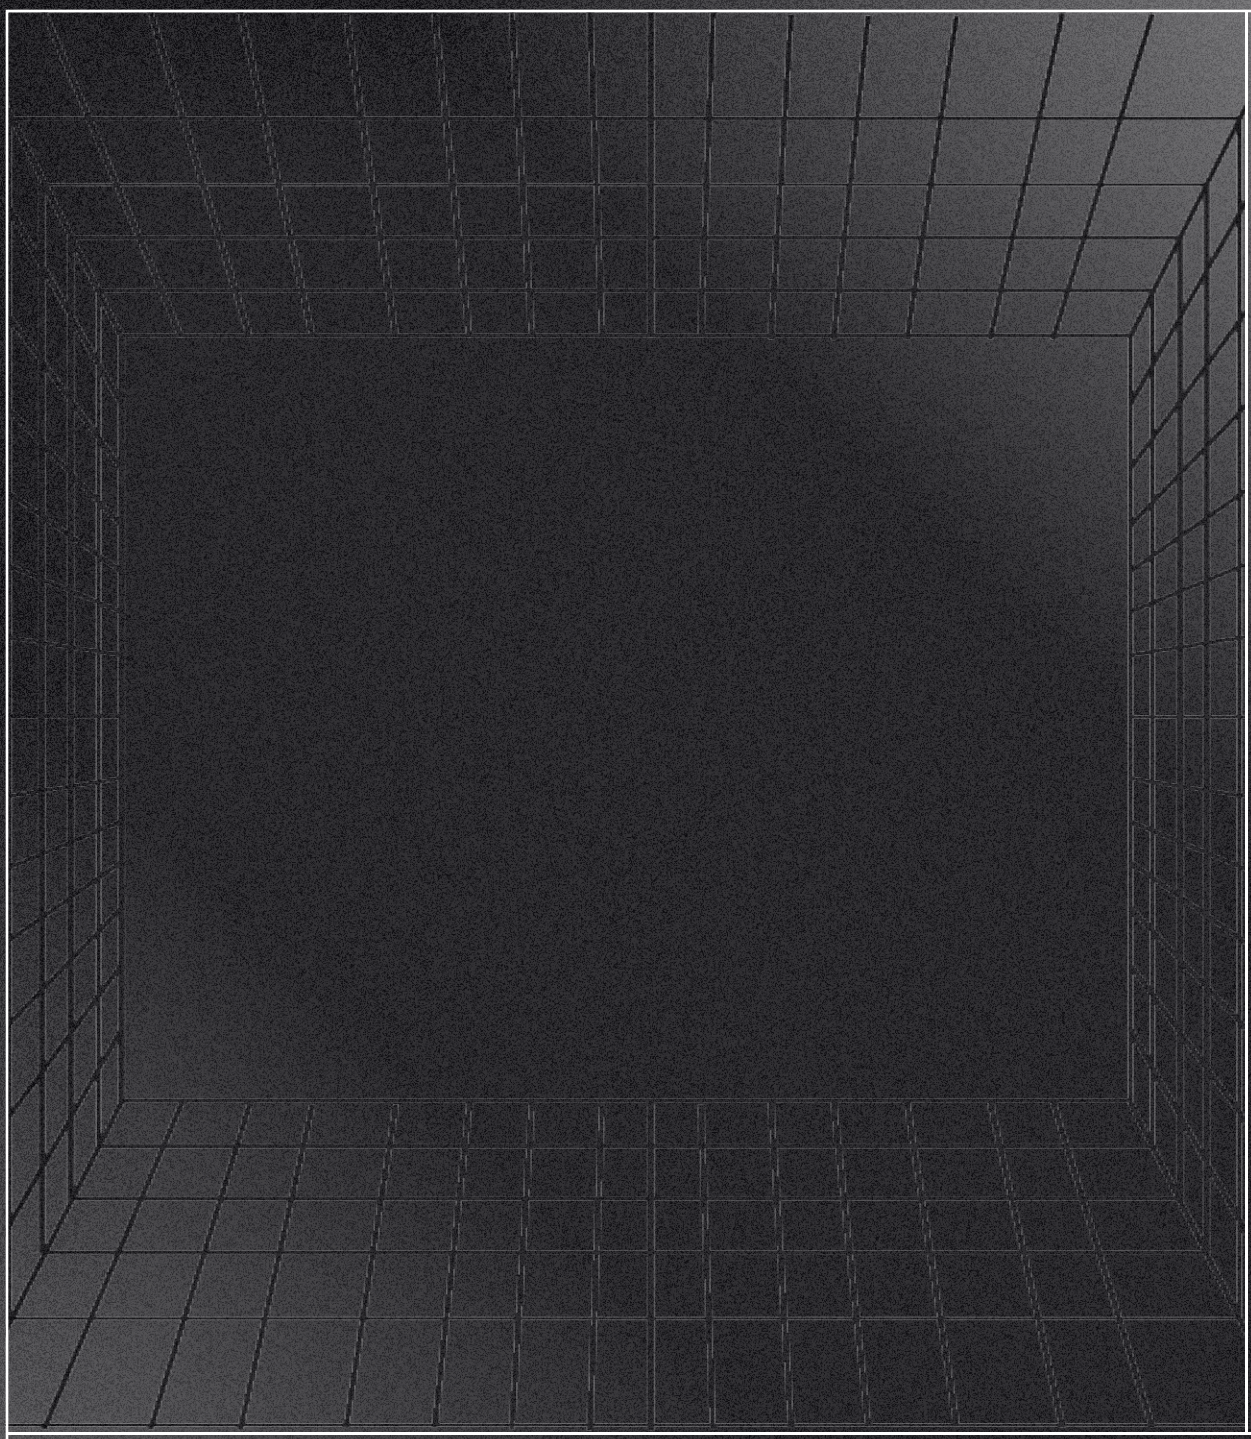

The team also assisted an elderly woman named Emine, a widow living alone with disabilities. They cleaned her house, painted inside, chopped firewood, cut the grass, cleaned the outside property and generally organized her home to make it safer and more livable.

Emine expressed deep gratitude, saying that no one had ever done something like that for her before.

Their service reflected practical Christian compassion. We extend heartfelt thanks to New City Church of Prizren and every team member who served.

Your work brought real change and hope to our community.
