

## Mission Trip to Sendafa, Ethiopia: Medical & Community Outreach July 9 – 19, 2026

Join us in bringing hope, healing, and the love of Christ to Ethiopia!

Be part of a powerful global mission experience as we travel to Sendafa, Ethiopia to serve alongside our 20+ year Project Adopt A Village (PAAV) partners. This trip brings together medical professionals and non-medical volunteers to meet both physical and supportive needs in the community while witnessing firsthand how God is at work.

### What You Will Experience

- **Medical Outreach:** Medical professionals will serve in a **5-day medical clinic**, providing compassionate, life-giving care to thousands in need. We will be supported by 60+ Ethiopian medical staff, interpreters and other volunteers to serve nearly 5,000 patients.
- **Community & Educational Outreach:** Non-medical participants will assist with English instruction in a local school and participate in community outreach visits alongside the PAAV team.
- **Faith in Action:** Pray with families, encourage residents, and share the hope of Jesus through presence, service, and love.
- **Life-Changing Impact:** Grow spiritually, build deep relationships, and experience God's heart for the nations in a meaningful, hands-on way.

### Trip Details

- **Team Size:** maximum 45 participants with goal of at least fifteen team members being first timers on this mission trip.
- **Departure:** by 5:15am on July 9, 2027 (group departure from Living Word → Washington Dulles International airport via Bailey Coach bus)
- **Return:** July 19, 2027 arriving at Living Word around 1:00pm
- **Lodging:** Hotel in Addis Ababa

### Cost

- **Estimated Cost:** \$2,950 per person  
*Includes airfare, bus transportation to and from airports, in-country transportation, lodging, meals, ministry expenses, and travel insurance.*
- **Passport Requirement:** A valid passport is required and must be valid at least 6 months beyond travel dates.
