Valley Christian Schools invites us to join in their mission by praying for the school for an unbroken chain of prayer throughout the month of

August. Choose one hour (or more) to pray for our schools, our churches, and our communities as the new school year begins. Sign up at

www.vcschools.org/project744 and become part of the chain. The QR code will also take you to the sign-up. Prayer prompts will be provided after

sign up. Please consider partnering in this great endeavor.

Wednesday Night Ministries - Our Wednesday night ministries will begin **August 26**. We will offer GEMS, Cadets, Compass (middle school), Anchor (high school) as well as adult studies (John).

All ministries run from 6:30-8:00. Clear your calendars for a chance to grow. Get a head start and go to <https://lbcrc.org/youth> to fill out the Youth Enrollment and Authorizations Forms for the group your child will be attending.

Sunday, **August 30**, the deacons will be collecting household items for NLB. See the [attached](#) for some of those needs.

On Sunday, **September 6**, we will hold a **congregational meeting** following the worship service to vote on whether or not to "re-call" Pastor Bryan to the position of "Minister of Word and Sacrament." More details are included in a letter mailed home.

The **Coffee Break** women's study will start on **September 9, 2026**. We meet in the Ministry Center and we begin at 9:30 am for fellowship and the lesson starts at 10 am. We will study lesson 4 from the Images of The Spirit book. If you would like to join us and need a book, contact Alice De Bruin at alicedebruin7@gmail.com.

Friendship Fellowship will resume meeting on **September 14**.

September 20, our second offering will be received for **World Renew**, a joint Canadian and US relief organization, compelled by God's deep passion for justice & mercy, which joins communities around the world to renew hope, reconcile lives, and restore creation.

Our financial support of this organization enables them, with the help of hundreds of volunteers, to respond to flooding and fire disasters in the US, natural (typhoon) disasters, work for justice in different levels of government in Honduras,

work with people in third world countries with promoting better farming practices and/or starting small businesses, and much more.
