

COVENANT CHURCH LIVE SENT

Discovering Ways to Serve • Interest & Skills Survey

God has given each of us different gifts, experiences, interests, and abilities. **As we seek to Live Sent**, we want to learn where you may enjoy serving and what skills you might be willing to share.

Checking a box is not a commitment, and it does not guarantee that a particular opportunity is currently available. It simply helps us know where a conversation might begin.

Mark each selection with a clear check or X inside the box.

Please complete one survey per person. Print clearly in dark ink so your responses can be accurately recorded.
