

It's Been a Great Spring!

Salvation and Multiplication!

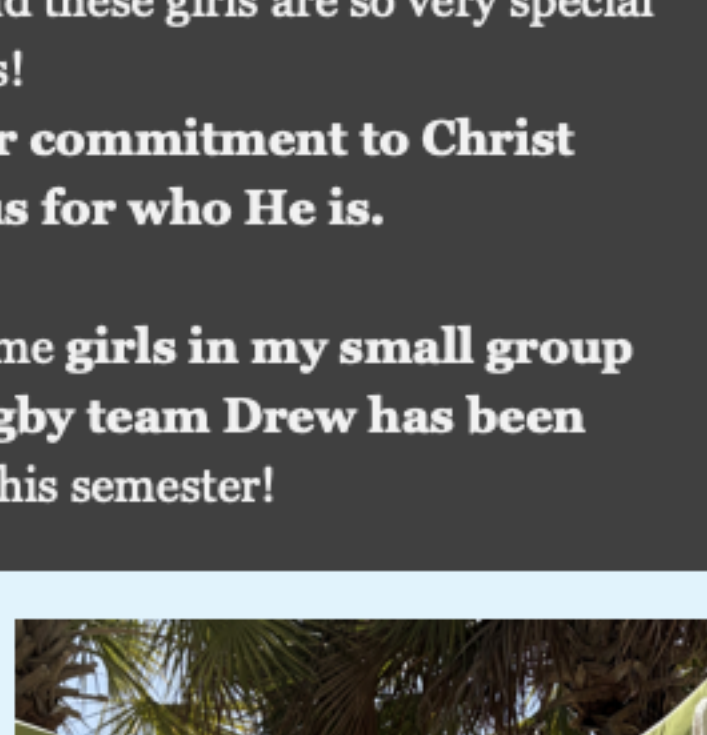

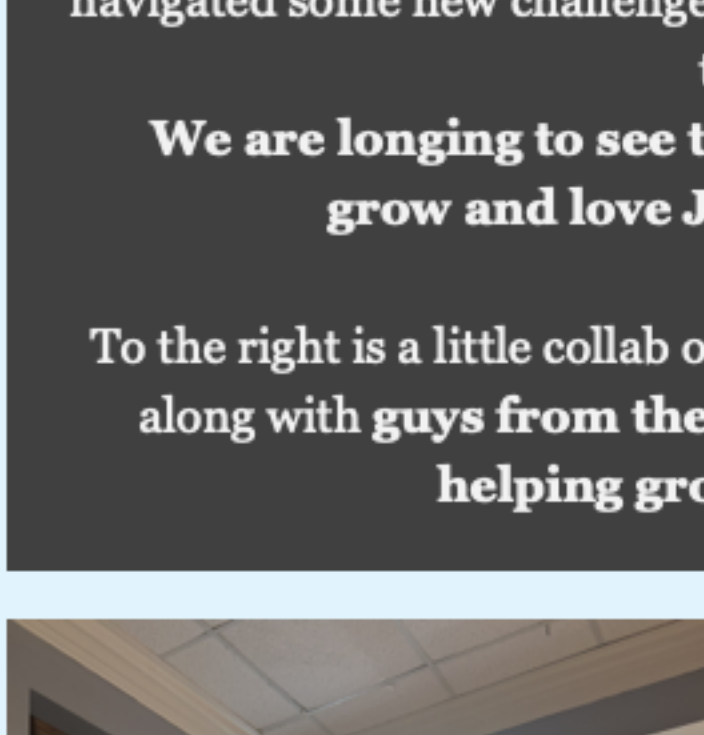

On the left are Abby and Emma (seniors in ADPI and in my D Group) with two freshman ADPIs, Georgia Kate and Emma. The week before this picture, Georgia Kate and Emma both articulated that they wanted to follow Jesus and made the decision to trust Him with their lives!

(Please pray for them! Pray they'd be established in Christ and continue to walk with Him this summer and for a lifetime!)

A week later, Abby and Emma joined me to follow up and talk about how **Spring Break can look different when pursuing Jesus and having one another as community**. It was so encouraging to watch older students have the same conversations with younger girls that we had just a year or two ago.

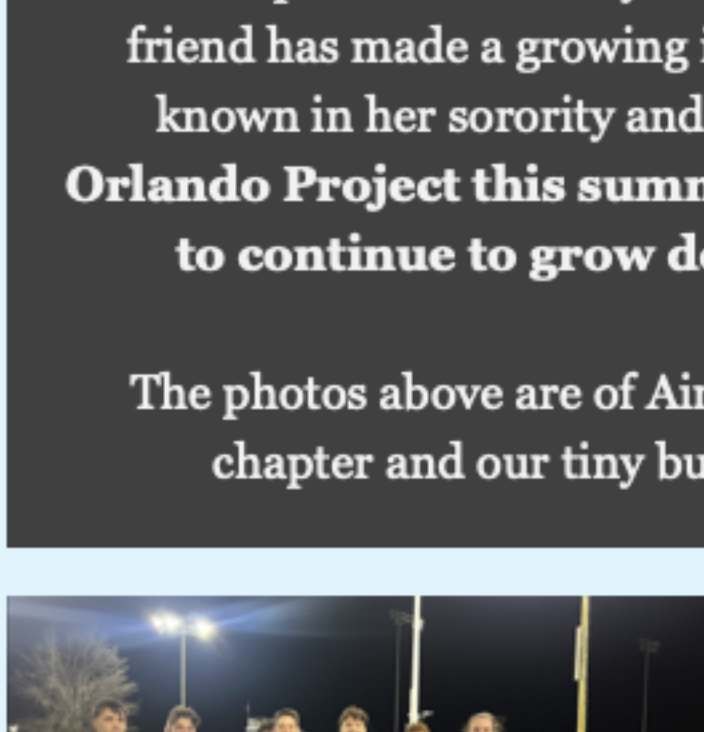

On the right is my D Group that I've walked with for the past three years. These women have become incredibly special to me, and I'm so proud of them. Lizzie and Mara (in the middle) graduated last week and are both becoming teachers while continuing to grow in their faith and get connected to local churches in Murfreesboro, TN.

Before Lizzie becomes a teacher, she is joining us on our 6-week Cross-Cultural Project to **Khon Kaen, Thailand!**

Nik and Carrie Weber, now on staff in Memphis, were on staff at Khon Kaen University with Campus Outreach for a few years.

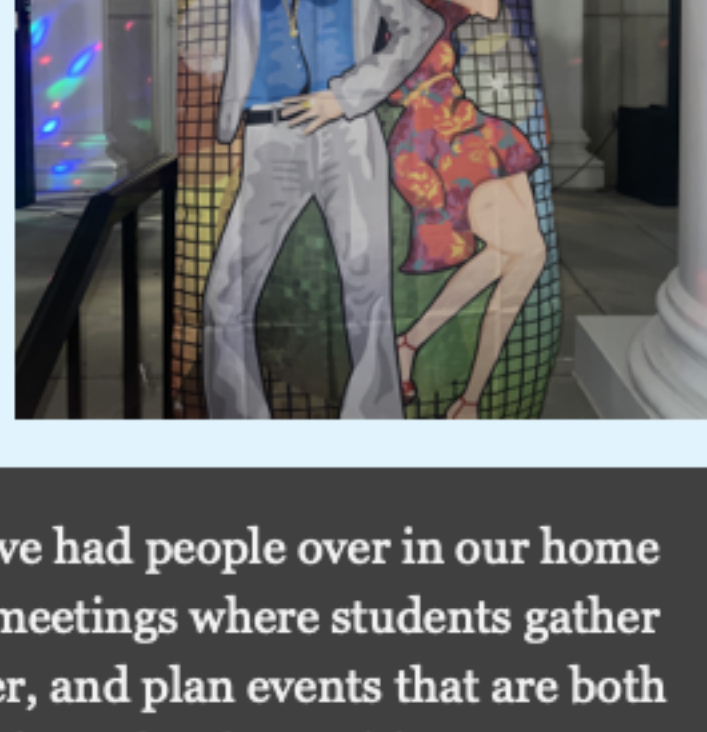

They had us over to their home during the World Missions Conference and made us traditional Thai Basil Chicken and **gave us a lesson on speaking Thai!** We are so grateful for them and it was such a sweet way to bond together and get ready for the trip!

To the left is my small group this past semester that I've been leading with an older Kappa Delta I've been walking with named **Sydney**. Sydney has been such a light and joy throughout a rather challenging semester. I would be so thankful if you could **pray for this small group!** (Ella Grace, Selah, Ella, Izzy, Izzy, Reese, Reese [yes there are two of each!] and Sarah Beth) Sydney and I have navigated some new challenges and these girls are so very special to us!

We are longing to see their commitment to Christ grow and love Jesus for who He is.

To the right is a little collab of some girls in my small group along with guys from the rugby team Drew has been helping grow this semester!

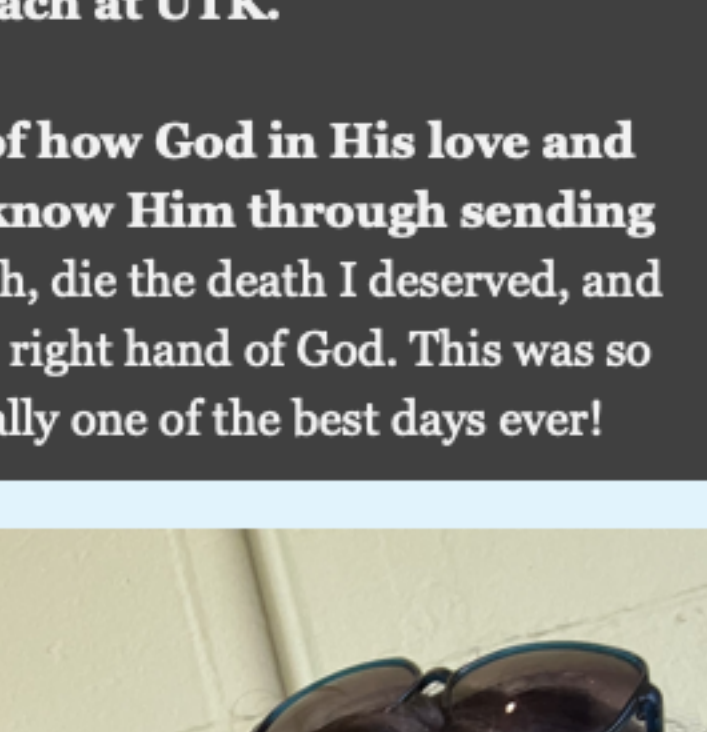

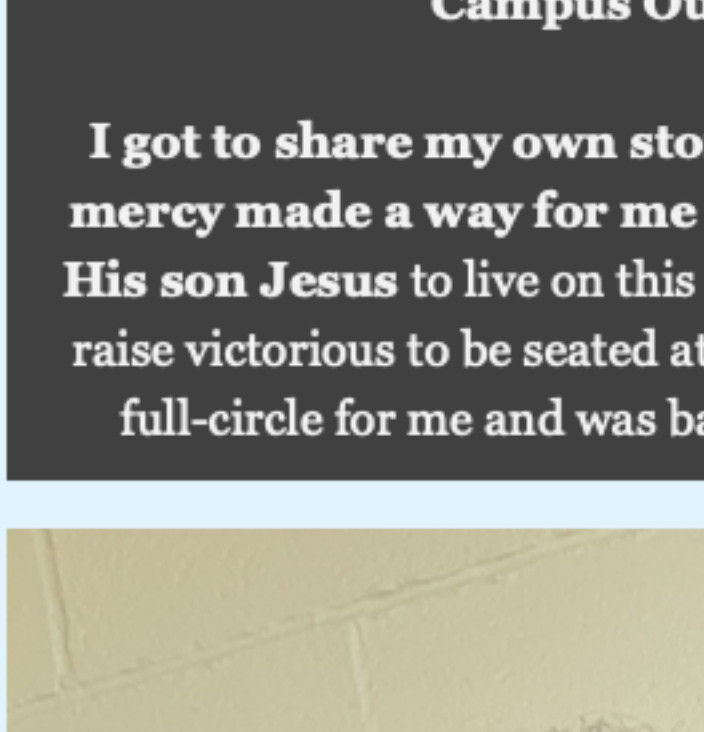

God has been on the move in Ainsley's (Junior Phi Mu) life! She is a safe place for so many and through her gift of being a great friend has made a growing impact for the gospel to be made known in her sorority and workplace. **She is coming to Orlando Project this summer and we are praying for her to continue to grow deep in her love for Christ!**

The photos above are of Ainsley leading a bible study in her chapter and our tiny but mighty spring break crew!

To the left is Drew's intramural soccer team created with the intended purpose of **both community and building relationships with people who don't know Jesus** on the team.

To the right is many of our student leader women at our end of the year cookout! The photo is a mix of women all living on mission to love God and others this summer. **Please pray for Kaylee Erin who will be working at Fuge Camps, Kate who will be working with Mustard Seed Ranch in Cookeville, and Sherany, Emily, and Sonia who will be at the Orlando Project!**

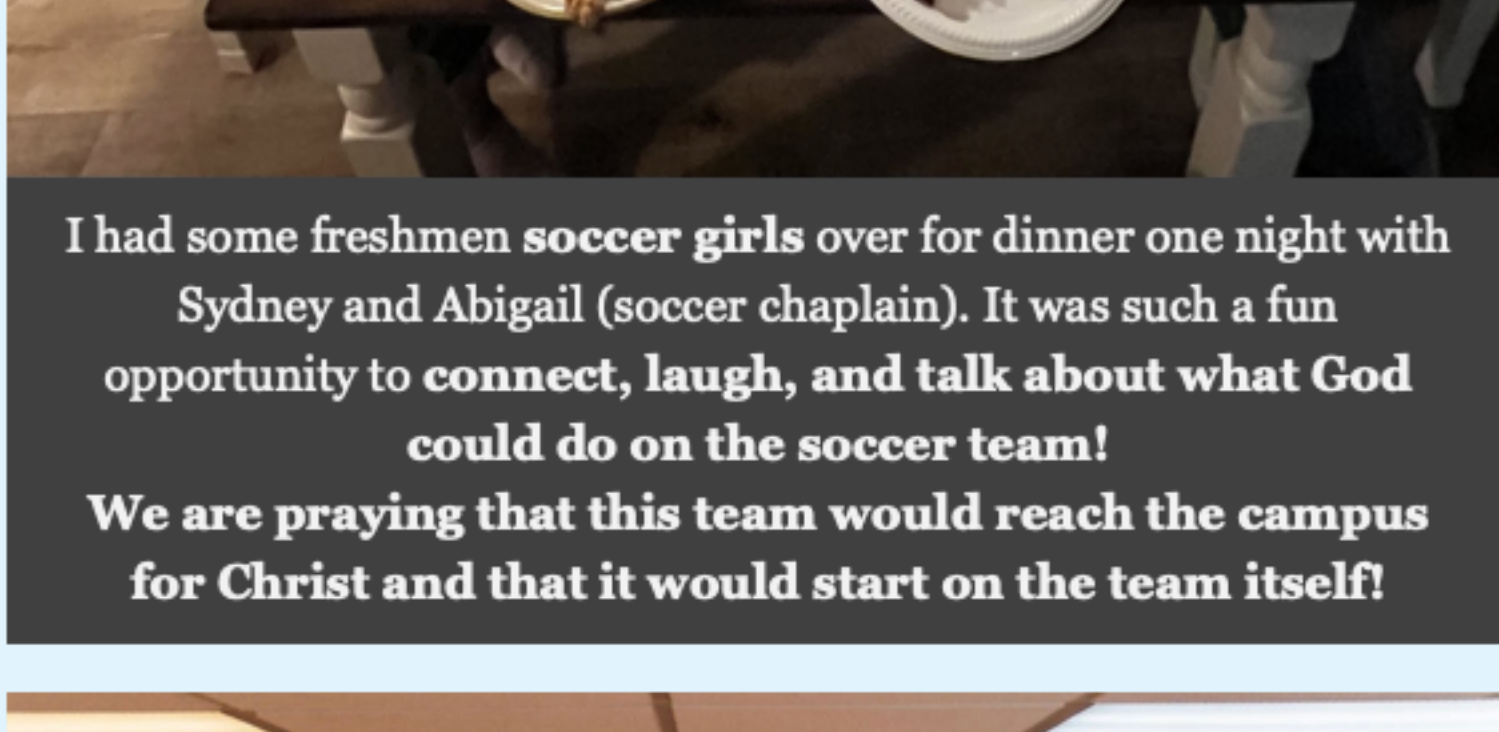

Drew and I feel so privileged to have had people over in our home for dinners, to be a part of prayer meetings where students gather to pray for the world and each other, and plan events that are both **spiritually momentous but also lots of fun!**

The top right is our weekly prayer meeting on Sunday nights.

The bottom right is Drew and I at an event we threw called "Crisco Disco". It was every good part of a 60's party theme and frying your own Oreo for every student in a small groups to connect and get to have fun together!

The bottom left is Drew and I celebrating one of my very best friends Julia getting married!

We truly have so much to celebrate.

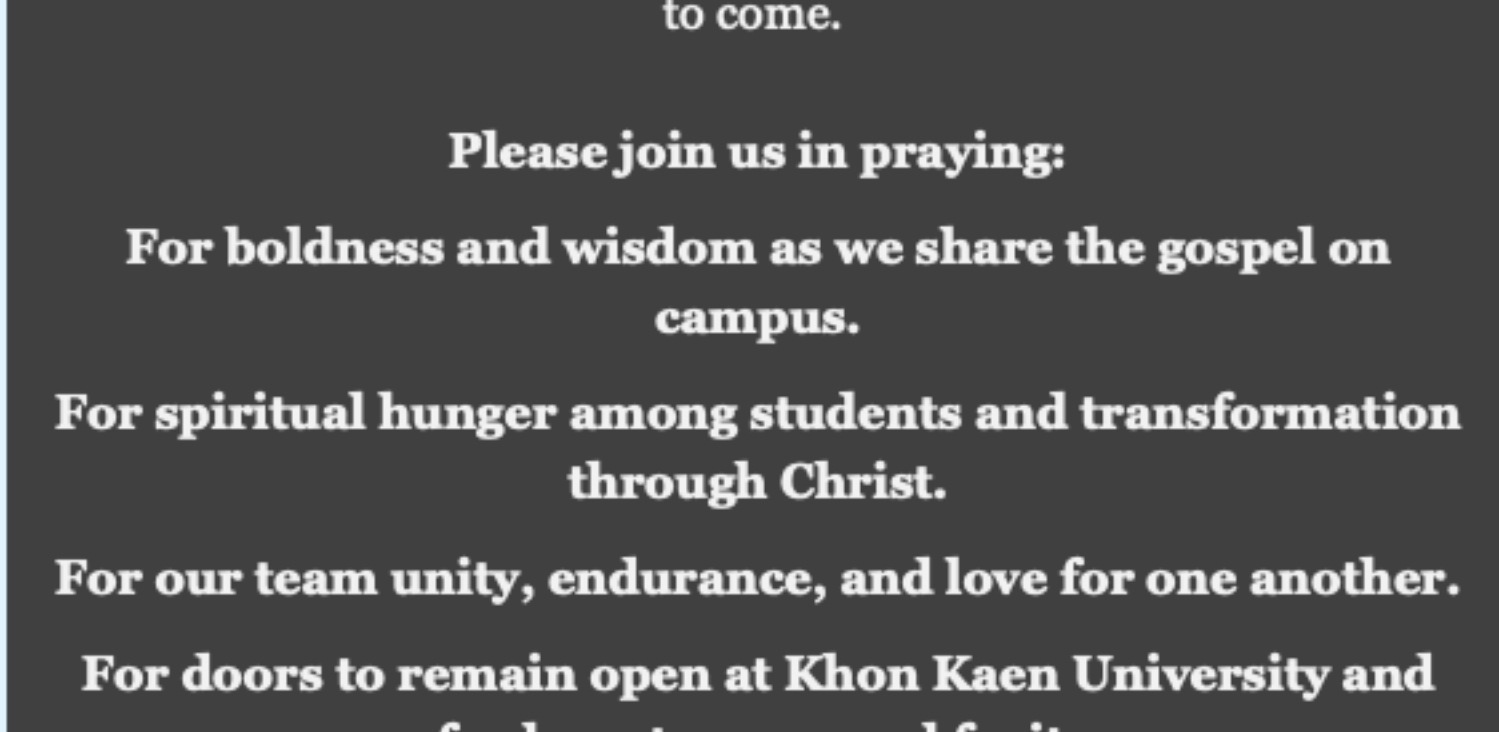

Our final D Group of the semester (and ever for Lizzie and Mara! Yes I cried!) was so special as we reflected on how king God has been this past year.

We had an "encouragement cake" where each girl wrote an encouragement for every girl in the group and one by one we spoke them and placed them in the cake!

How fun is this! God brought the opportunity to go back to "home sweet home" and teach a **Pilates class for the women of Campus Outreach at UTK.**

I got to share my own story of how God in His love and mercy made a way for me to know Him through sending His son Jesus to live on this earth, die the death I deserved, and raise victorious to be seated at the right hand of God. This was so full-circle for me and was basically one of the best days ever!

This is Cate! Cate is the **chaplain of ADPI** who is not necessarily involved with our ministry but loves Jesus and wants to lead others for the rest of her life! We talked about the Orlando Project and she is joining us this summer! **Please pray for her and her friend Peri that they would grow in their love for Christ, building sweet friendships with others, and vision for Christ being made known in ADPI!**

I had some freshmen **soccer girls** over for dinner one night with Sydney and Abigail (soccer chaplain). It was such a fun opportunity to **connect, laugh, and talk about what God could do on the soccer team!** **We are praying that this team would reach the campus for Christ and that it would start on the team itself!**

Thank you for praying for our Spring Retreat!

Drew has been sharing his faith consistently in **FUJI!** Him and Quintin (back right with glasses) go to lunch together frequently inviting other guys to share Christ with them. Pictured is the **Phi Mu x FUJI bible study.**

Say "Sawatdee!" to our official **Thai team** for the summer! We are so looking forward to growing alongside one another and seeing what all God will do in Thailand this summer and for years to come.

Please join us in praying:

For boldness and wisdom as we share the gospel on campus.

For spiritual hunger among students and transformation through Christ.

For our team unity, endurance, and love for one another.

For doors to remain open at Khon Kaen University and for long-term gospel fruit.

For God to raise up Thai laborers and disciple-makers from this campus.

We are really hoping to bless the Thai team that's already there!

Please also pray for us as we head to **Buenos Aires, Argentina** this evening to do some campus investigations to see if we can prayerfully send a Campus Outreach team there in the future!

Please pray for our travel, relationships to be built with students and the churches there, my dear friend Shayla from college who lives there now and is **getting married**, as well as **discernment as we investigate what a CCP or full-time team would look like there in the future!**

After that, we will head to **Orlando** for a week to greet our students and help them get acquainted and two weeks after that head to **Khon Kaen!**

We love you so very much. And we need you!

Please let us know if there is anything we can do to bless you! Thank you for your partnership.

Cheering you on,

Drew and Maggie De Sanctis
