Basic Truths

In the elementary school years kids will grow in trust, the revelation of Jesus' salvation, and in the Holy Spirit.

God is good, so I can trust Him no matter what.

God loves me so much that He sent Jesus to rescue me.

The Holy Spirit helps me live and love like Jesus.

The Elementary Phase

Kindergarten–Fifth Grade

What is a phase?

A phase is a timeframe in a kid's life when you can leverage distinctive opportunities to influence their future.

At each phase, your job is simple . . .

Know what can be expected of them and know how they think so they will hear what you say and know what to do.

**It's just a phase,
don't miss it.**

Thinks like . . .

An elementary schooler thinks like a scientist.

Scientists understand the world through concrete evidence they can test repeatedly.

Like scientists, elementary schoolers learn best when they can observe something in their present environment. They are concrete thinkers and need repetition and clear application. The more frequently a new concept can be connected to everyday experience, the better.

How they relate to God . . .

God's story inspires my story.

Kids who think like scientists love stories. They relate to a God who heals the sick, conquers evil, explains mysteries, performs miracles, overcomes death, and teaches them how to win at life.

Wants to know . . .

In the elementary years, a child develops skills and competencies that equip their future.

The way a child resolves the "Do I have . . ." questions of each phase provides them with critical knowledge and resources.

The best way to resolve an elementary schooler's relational questions is to consistently engage their interests.

Do I have your attention?

In kindergarten and first grade, a child craves adult attention and approval. When adults demonstrate interest in kids' progress, kids improve abilities.

Do I have what it takes?

In second and third grade, a kid wants to know how their abilities compare with peers. When adults praise kids' persistence and efforts, kids broaden competence.

Do I have friends?

In fourth and fifth grade, a kid begins to prioritize friends in a new way. When adults make introductions and include peers, kids develop friendships.

Statement of Faith

About God

There is one, and only one, living and true God, existing in three persons: Father, Son, and Holy Spirit. God is just, powerful, good, and holy. God is infinite in love. Through love, God creates, sustains, suffers, judges, rescues, liberates, redeems, reconciles, and reigns.

About Jesus

God became human in Jesus of Nazareth. Jesus was conceived by the power of the Holy Spirit, born of the virgin Mary, suffered, was crucified, died and was buried. He descended to the dead, and on the third day He rose again. He ascended into heaven, and will come again to judge the living and the dead. The death and resurrection of Jesus offers redemption for humanity and the world.

About The Holy Spirit

The Holy Spirit is the third person of the Trinity, the fully divine Spirit of God, whose present activity is to guide, to convict, to comfort, to transform, and to strengthen. The Spirit bestows gifts, and cultivates the character and mind of Christ in believers for use in and through the Church.

About The Bible

The Holy Scripture was written under the divine inspiration of the Holy Spirit. It is accurate, reliable, and authoritative. It is the primary authority for all Christian faith and practice. The Scripture reveals the character of God, the nature of humanity, and the primacy of Jesus.

About Salvation

Jesus, being fully God and fully human, was born, lived, died, and rose again. It is only through Christ Jesus that humanity can find complete forgiveness, reconciliation, and wholeness. Anyone who accepts the free gift of salvation made possible through Christ Jesus is welcome into the Kingdom of Heaven now and forever.

About People

All people are made in God's image, and like God, have the capacity to love, to care, to communicate, and to create. All people have sinned and fallen short of God's glory. The fall of humanity distorted creation and separated all people from God. Because of the fall, humans often feel isolated, angry, inadequate, ashamed, or overwhelmed by the constant awareness that all is not as it should be.

About The Church

The Church is the body of Christ, an extension of Christ's life and ministry in the world today. It includes the redeemed of all ages, races, genders, and nations. Because of Jesus, with the guidance of the Spirit, believers are invited to participate in the work of the Church. Jesus prayed for unity in the Church, and our Christian unity gives evidence of God to every generation.
